NOTE: This table includes defendants in all cases filed as felonies or Class A misdemeanors, but includes only those defendants in cases filed as petty offenses that were assigned to district judges rather than magistrate judges. Median computed only for 10 or more defendants. Beginning in March 2012, the median time interval is computed from the proceeding date for a defendant (e.g., the date an indictment or information was filed) to the date on which the defendant was found not guilty or was sentenced. Previously, the median time interval was computed beginning with the defendant's filing date. Therefore, data for March 2012 and thereafter are not comparable to data for previous periods.
