#### **COMMITTEE NOTE**

Schedule J: Your Expenses (Official Form 106J), formerly Official Form 6J, has been revised to include references to new Schedule J-2: Expenses for Separate Household of Debtor 2 (Official Form 106J-2) at line 1 and new line 22b. The revisions clarify how to calculate monthly net income in joint cases where Debtor 1 and Debtor 2 maintain separate households. Line 22b is added so Schedule J and Schedule J-2 are easily coordinated. Schedule J is also renumbered to conform to the three digit numbering system that was developed for official bankruptcy forms as part of the Forms Modernization Project.

Schedule J-2 is new. It is used to report the monthly expenses of Debtor 2 in a joint debtor case only if Debtor 1 and Debtor 2 maintain separate households.

#### **COMMITTEE NOTE**

Official Form 201, Voluntary Petition for Non-Individuals Filing for Bankruptcy, replaces Official Form 1, Voluntary Petition, for non-individual debtors. It is renumbered to distinguish it from the forms used by individual debtors and includes formatting and stylistic changes throughout the form.

Official Form 201 is revised as part of the Forms Modernization Project, making it easier to read and, as a result, likely to generate more complete and accurate responses. The goals of the Forms Modernization Project include improving the interface between technology and the forms so as to increase efficiency and reducing the need to produce the same information in multiple formats.

The Forms Modernization Project made a preliminary decision that separate forms should be created for individual debtors and for non-individual debtors because separate areas of inquiry apply to each group. The forms for non-individuals do not include questions that pertain only to individuals and use a more open-ended response format. Also, where possible, the forms for nonindividuals parallel how businesses commonly keep their financial records.

Official Form 201 has been substantially reformatted and reorganized. References to Exhibits B, C, and D, and the exhibits themselves, have been eliminated because the requested information is now asked in the form or is not applicable to non-individual debtors. Official Form 201A, Attachment to Voluntary Petition for Non-Individuals Filing for Bankruptcy Under Chapter 11, has replaced Exhibit A. The debtor is instructed to file Official Form 201A if the debtor is filing under chapter 11 and is required to file periodic reports with the Securities and Exchange Commission. A checkbox has been added to the form to indicate whether it is an amended filing.

In Question 2, All other names debtor used in the last 8 years, instructions pertaining only to individuals have been deleted, and an instruction to include doing business as names and assumed names has been added. In Question 3, Debtor's federal Employee Identification Number (EIN), references to social security numbers and individual taxpayer I.D. numbers have been deleted. In Question 4, Debtor's address, the order of listing the various addresses for the debtor has been rearranged, and an address for the location of principal assets is required if different from the principal place of business. Also, the form has been revised to include a space for listing the debtor's website in Question 5.

In Question 6, Type of Debtor, options pertaining only to individual debtors have been deleted, and an instruction that the "partnership" option does not include LLPs has been added. Question 7, Describe debtor's business, is revised to include a statutory citation for each business type, to add an option for "none of the above," and to delete the option for "other." A new instruction requires the debtor to indicate if the debtor is an investment company, including a hedge fund or pooled investment vehicle; an investment advisor; or a tax exempt entity. The definition of "tax exempt entity" has been removed and replaced with a statutory citation. Additionally, an instruction has been added to require the debtor to list its North American Industry Classification System 4-digit code. A hyperlink is provided for information on finding the correct code.

In *Question 8, Under which chapter of the Bankruptcy Code is the debtor filing,* several separate boxes have been combined, and the options for Chapter 13 and Chapter 15 have been deleted. More detailed options have been added for Chapter 11. The question regarding the nature of the debtor's debts has been removed.

Question 9, Were prior bankruptcy cases filed by or against the debtor within the last 8 years, has been revised

to instruct the debtor to include prior bankruptcy cases filed against the debtor and to list the district rather than location of the prior filings. In Question 10, *Are any bankruptcy cases pending or being filed by a business partner or an affiliate of the debtor*, the reference to spouse and the requirement to list the judge in any other cases have been removed.

Question 11, *Why is this case filed in this district*, has been revised to delete references that pertain only to individuals.

Question 12, *Does the debtor own or have possession of any real property or personal property that needs immediate attention*, replaces Exhibit C from Official Form 1. The category of "property that needs immediate attention" has been added, as well as options to indicate why the property needs immediate attention. Additionally, the form has been revised to require the debtor to list the location of the property and whether or not the property is insured and, if so, the insurance details.

Statistical and administrative information has been moved to immediately above the signature line, and the reference to exempt property has been removed. The maximum values for "Estimated Assets" and "Estimated Liabilities" have been increased from "more than \$1 billion" to "more than \$50 billion." *Request for Relief, Declaration, and Signatures* has been reformatted and the signature lines for individual debtors and non-attorney bankruptcy petition preparers have been removed.

#### **Changes Made after Publication**

**In Question 7**, the request for a North American Industry Classification System (NAICS) 6-digit code was to revised to ask for a 4-digit NAICA code.

In **Question 11**, the inquiry about venue was revised as follows, "Why is the case filed in this district?"

#### **Summary of Public Comment**

#### 14-BK-0062 – National Conference of

**Bankruptcy Judges (NCBJ).** It seems unnecessary to ask a chapter 11 debtor to indicate (a) whether its aggregate noncontingent liquidated debts are less than \$2,490,925 and (b) whether it is a small business debtor as defined in § 101(51D) of the Code, since the specified debt limit is one of the requirements for being a small business debtor.

**14-BK-0084 – Ryan Johnson, Clerk, Bankruptcy Court for the Northern District of West Virginia.** There is no reason to ask debtors to list their NAICS (North American Industry Classification System) code on the petition. The requirement will lead to confusion and incorrect information. No known requirement exists for a business debtor to provide a website, and such disclosure could lead to improper information.

In Question 8, it seems unnecessary to ask a chapter 11 debtor to indicate (a) whether its aggregate noncontingent liquidated debts are less than \$2,490,925 and (b) whether it is a small business debtor as defined in § 101(51D) of the Code, since the specified debt limit is one of the requirements for being a small business debtor. The inclusion of both checkboxes on the current petition causes confusion.

On line 11, the question about venue is improper because venue is proper as filed, contingent on being transferred upon a valid objection. The Northern District of West Virginia has a significant number of chapter 7 debtors who live outside of West Virginia. They would not be able to check either box on the form (each of which states a proper basis for venue).

In Question 12, the term "immediate attention" is ambiguous. For example, a vehicle parked on or near the street is in danger of theft and damage from the weather. Reasonable minds may differ on whether such property is in need of "immediate attention." Requiring a separate page for every vehicle used by a business debtor could be unduly burdensome. Such information should be exchanged in meetings with the trustee or in first day motions – not in the petition.

Question 13 (like page 1 of existing Form B1) requires the debtor to answer a complex question of whether: (1) funds will be available for the distribution to creditors, or (2) no funds will be available for distribution to unsecured creditors after payment of administrative expenses. The determination is better left to the business judgment of a Chapter 7 trustee or determined through the disclosure statement and plan process. Moreover, there is no requirement to provide the information in the Bankruptcy Code or Rules, no consequence is known for a debtor's failure to submit the information, and Chapter 7 debtors have an incentive to declare their cases "no asset" to encourage abandonment. In the Northern District of West Virginia (and likely in many other districts), the designation is effectively delegated to the case trustee -aprofessional who is in a far better position to gage whether the case is an asset case and, as a result, it is necessary to solicit proofs of claim.

14-BK-0122 – Professor Anne Lawton, Michigan State Univ. College of Law). Professor Lawton commented on the petition and several other forms as they apply to small business debtors. She said that empirical evidence shows that small business debtors do a poor job of self-reporting their status. She suggested several changes to Official Forms 201, 206Sum, 206D, and 206E/F that would "walk[] debtor's counsel step by step through the process for determining small business status."

An individual who is authorized to act on behalf of a non-individual debtor, such as a corporation or partnership, must sign and submit this form for the schedules of assets and liabilities, any other document that requires a declaration that is not included in the document, and any amendments of those documents. #### **COMMITTEE NOTE**

Official Form 202, Declaration Under Penalty of Perjury for Non-Individual Debtors, replaces Official Form 2, Declaration Under Penalty of Perjury on Behalf of a Corporation or Partnership, and the section of Official Form 6 Declaration, Declaration Concerning Debtor's Schedules containing a corporation's or partnership's declaration. It is renumbered to distinguish it from the forms used by individual debtors and includes formatting and stylistic changes throughout the form.

Official Form 202 is revised as part of the Forms Modernization Project, making it easier to read and, as a result, likely to generate more complete and accurate responses. The goals of the Forms Modernization Project include improving the interface between technology and the forms so as to increase efficiency and reducing the need to produce the same information in multiple formats.

Official Form 202 has been substantially reformatted and reorganized with elements from both Official Form 2 and the section of Official Form 6 for a corporation or partnership. Instructions have been added, along with warning language regarding bankruptcy fraud. Checkboxes are provided so the declaration will indicate the documents included with the declaration, including the schedules and Official Form 204, Chapter 11 or Chapter 9 Cases: List of Creditors Who Have the 20 Largest Unsecured Claims and Are Not Insiders. If the declaration accompanies another document, a space is provided to include a description of the attached document. The phrase "to the best of my information and belief" has been deleted from the declaration in order to conform to the language of 28 U.S.C. § 1746. See Rule 1008. The form, however, includes a statement that the person signing the declaration has examined the information in the documents subject to the declaration and has "a reasonable belief that the information is true and correct." Finally, the person signing the declaration must indicate his or her position or relationship to the debtor.

#### **Changes Made after Publication**

A checkbox was added for Official Form 204— Chapter 11 or Chapter 9 Cases: List of Creditors Who Have the 20 Largest Unsecured Claims and Are Not Insiders.

#### **Summary of Public Comment**

**14-BK-0067 – Gary Streeting.** Official Form 204 no longer has a space for the debtor's declaration that the information is true and correct. Because Official Form 204 is not specifically listed on Official Form 202, debtors could be confused about whether they are required to make such a declaration. Form 204 should be included as a separate item on Form 202, rather than leaving it up to the debtor to include it under "Other documents that require a declaration."

### Official Form 204 Chapter 11 or Chapter 9 Cases: List of Creditors Who Have the 20 Largest Unsecured Claims and Are Not Insiders

12/15

A list of creditors holding the 20 largest unsecured claims must be filed in a Chapter 11 or Chapter 9 case. Include claims which the debtor disputes. Do not include claims by any person or entity who is an *insider*, as defined in 11 U.S.C. § 101(31). Also, do not include claims by secured creditors, unless the unsecured claim resulting from inadequate collateral value places the creditor among the holders of the 20 largest unsecured claims.

#### **COMMITTEE NOTE**

Official Form 204, Chapter 11 or Chapter 9 Cases: List of Creditors Who Have the 20 Largest Unsecured Claims and Are Not Insiders, replaces Official Form 4, List of Creditors Holding 20 Largest Unsecured Claims, for non-individual debtors. It is renumbered to distinguish it from the forms used by individual debtors and includes formatting and stylistic changes throughout the form.

Official Form 204 is revised as part of the Forms Modernization Project, making it easier to read and, as a result, likely to generate more complete and accurate responses. The goals of the Forms Modernization Project include improving the interface between technology and the forms so as to increase efficiency and reducing the need to produce the same information in multiple formats.

The Forms Modernization Project made a preliminary decision that separate forms should be created for individual debtors and for non-individual debtors because separate areas of inquiry apply to each group. The forms for non-individuals do not include questions that pertain only to individuals and use a more open-ended response format. Also, where possible, the forms for nonindividuals parallel how businesses commonly keep their financial records.

Official Form 204 has been reformatted and reorganized. The instructions have been shortened and revised to include a full cite to the definition of "insider" and a revised explanation of when to include a secured creditor's unsecured claim. The warning regarding the disclosure of a minor child's name has been deleted as a caution has been added to the general instructions for all forms regarding listing a minor child's name.

The heading of the second column of the form has been revised to require the "name, telephone number, and email address of creditor contact," eliminating the need to provide a complete mailing address for the creditor contact. Additional examples of "nature of claim" have been provided in the third column. In the fourth column, "subject to setoff" has been removed as an option.

The fifth column has been revised to include three separate potential entries to be used to list the value of the unsecured claim: the total claim, if partially secured; the deduction for value of collateral or setoff; and unsecured claim. The new instructions for the fifth column contain an explanation that if a claim is a fully unsecured claim, only the final sub-column needs to be completed, and that all of the columns must be completed if a claim is partially secured.

The signature line and the instruction to include a declaration have been deleted from the form.

#### 14-BK-0062 - National Conference of

**Bankruptcy Judges.** The format is materially different from Official Form 104 published in August 2013, which is the form that is to be used in individual chapter 11 cases to list the 20 largest unsecured creditors. Forms 104 and 204 should be identical.

**14-BK-0067 – Gary Streeting.** Official Form 204 no longer has a space for the debtor's declaration that the information is true and correct. Because Official Form 204 is not specifically listed on Official Form 202, debtors could be confused about whether they are required to make such a declaration. Form 204 should be included as a separate item on Form 202, rather than leaving it up to the debtor to include it under "Other documents that require a declaration." If, however, the intent is to no longer require any signature or declaration for the List of 20 Largest

Unsecured Creditors, this should be made clear in the last sentence of the Committee Note.

#### **COMMITTEE NOTE**

Official Form 205, *Involuntary Petition Against a Non-Individual*, replaces Official Form 5, *Involuntary Petition*, for non-individual debtors. It is renumbered to distinguish it from the forms used by individual debtors and includes formatting and stylistic changes throughout the form.

Official Form 205 is revised as part of the Forms Modernization Project, making it easier to read and, as a result, likely to generate more complete and accurate responses. The goals of the Forms Modernization Project include improving the interface between technology and the forms so as to increase efficiency and reducing the need to produce the same information in multiple formats.

The Forms Modernization Project made a preliminary decision that separate forms should be created for individual debtors and for non-individual debtors because separate areas of inquiry apply to each group. The forms for non-individuals do not include questions that pertain only to individuals and use a more open-ended response format. Also, where possible, the forms for nonindividuals parallel how businesses commonly keep their financial records.

Part 1, *Identify the Chapter of the Bankruptcy Code Under Which Petition is Filed*, has been moved to the beginning of the form.

In Part 2, *Identify the Debtor*, instructions pertaining only to individuals have been deleted, and an instruction to include doing-business-as names and assumed names has been added. The references to social security numbers and individual taxpayer I.D. numbers have been deleted. The order of listing the various addresses for the debtor have been rearranged in Line 5, and an address for the location of principal assets is required if different from the principal place of business.

The form has been revised to include a space for listing the debtor's website in Line 6.

Also in Part 2, the options for type of debtor that pertained only to individuals have been deleted, and an instruction that the "partnership" option does not include LLPs has been added. The options regarding the type of debtor's business have been revised to include a statutory citation for each business type, to add an option for "none of the above," and to delete the option for "other." The question regarding pending bankruptcy cases has been revised to remove the reference to spouse and the requirement to list the judge in any other cases.

In Part 3, *Report About the Case*, the question regarding venue has been revised in Line 10 to read "[o]ver the past 180 days before the filing of this bankruptcy, the debtor had a domicile, principal place or business, or principal assets in this district longer than in any other district." In the question for Allegations, "each" has been added to the first allegation, the exact citation to the Bankruptcy Code has been provided for the second allegation, and checkboxes have been provided for the last allegation. Also, in Line 12, petitioners must check "yes" or "no" to answer whether there has been any transfer of any claim against the debtor by or to a petitioner.

The information regarding the petitioner's claims has been moved to Part 3, and the portion listing the amount of the claim is amended to ask about the amount of the claim that exceeds the value of the lien, if any.

Part 4, *Request Relief*, has been amended to include a warning about making a false statement, and the declaration under penalty of perjury has been revised in order to conform to the language of 28 U.S.C. § 1746. *See* Rule 1008. A statement has been added that each petitioner, or the petitioner's representative, has reviewed the information in the petition and has "a reasonable belief that the information is true and correct." A requirement has been added for each petitioner's mailing address. Also, petitioners' attorneys must provide their email addresses, bar number, and state of bar membership.

No changes were made after publication.

#### **Summary of Public Comment**

**14-BK-0062 – National Conference of Bankruptcy Judges (NCBJ).** The NCBJ suggested placing a check box alongside of the allegation: "The debtor may be the subject of an involuntary case under 11 U.S.C. § 303(a)." The consequences of an involuntary petition are serious enough (for both petitioner(s) and putative debtor) that an extra step in the filing process (i.e., checking another box) may have some benefit.

## Official Form 206A/B

# Schedule A/B: Assets — Real and Personal Property

12/15

Disclose all property, real and personal, which the debtor owns or in which the debtor has any other legal, equitable, or future interest. Include all property in which the debtor holds rights and powers exercisable for the debtor's own benefit. Also include assets and properties which have no book value, such as fully depreciated assets or assets that were not capitalized. In Schedule A/B, list any executory contracts or unexpired leases. Also list them on *Schedule G: Executory Contracts and Unexpired Leases* (Official Form 206G).

Be as complete and accurate as possible. If more space is needed, attach a separate sheet to this form. At the top of any pages added, write the debtor's name and case number (if known). Also identify the form and line number to which the additional information applies. If an additional sheet is attached, include the amounts from the attachment in the total for the pertinent part.

For Part 1 through Part 11, list each asset under the appropriate category or attach separate supporting schedules, such as a fixed asset schedule or depreciation schedule, that gives the details for each asset in a particular category. List each asset only once. In valuing the debtor's interest, do not deduct the value of secured claims. See the instructions to understand the terms used in this form.

### **COMMITTEE NOTE**

The schedules to be used in cases of non-individual debtors have been revised as part of the Forms Modernization Project, making them easier to read and, as a result, likely to generate more complete and accurate responses. The goals of the Forms Modernization Project include improving the interface between technology and the forms so as to increase efficiency and reduce the need to produce the same information in multiple formats.

Modernization Project made a The Forms preliminary decision that separate forms should be created for individual debtors and for non-individual debtors because separate areas of inquiry apply to each group. The forms for non-individuals eliminate questions that pertain only to individuals and use a more open-ended response format. Also, where possible, the forms for nonindividuals parallel how businesses commonly keep their financial records. The non-individual debtor schedules are also renumbered, starting with the number 206 and followed by the letter or name of the schedule to distinguish them from the versions to be used in individual cases. Each form includes a checkbox to indicate whether it is an amended filing.

**Official Form 206Sum,** *Summary of Assets and Liabilities for Non-Individuals*, replaces Official Form 6, *Summary of Schedules and Statistical Summary of Certain Liability and Related Data (28 U.S.C. § 159)*, in cases of non-individual debtors. The form is reformatted and updated with cross-references indicating the line numbers from specific schedules from which the summary information is to be gathered, and the Statistical Summary is deleted because it only applies to individual debtors. In addition, because most filings are now done electronically, the form no longer requires the debtor to indicate which schedules are attached or to state the number of sheets of paper used for the schedules. **Official Form 206A/B**, *Schedule A/B: Assets – Real and Personal Property*, consolidates information about a non-individual debtor's real and personal property into a single form and replaces Official Form 6A - *Real Property* and Official Form 6B - *Personal Property*, in cases of non-individual debtors. The layout and categories of property on Official Form 206A/B have changed. Instead of dividing property interests into two categories (real or personal property), the new form uses eleven categories of property types. For each part, the specific items are broken out and debtors are instructed to total the part and list the total on a specific line later in the form.

Part 1: *Cash and cash equivalents*, includes cash and cash equivalents and a shortened list of examples. All financial assets other than cash or cash equivalents are moved to Part 4: *Investments*. In the section to list checking, savings, money market, or financial brokerage accounts, debtors are instructed to include the name of the institution and the last 4-digits of any account number.

In Part 2: *Deposits and prepayments*, adds prepayments and examples. A requirement has been added to include the name of the holder of any deposit.

Part 3: *Accounts receivable*, has been revised to divide accounts receivable into two categories depending on age and asks for separate values for the two categories.

Part 4: *Investments*, has been expanded and includes more detail.

Part 5: *Inventory, excluding agricultural assets*, has been amended to separate non-agricultural from agricultural assets, and has been expanded to include more detail. Categories of inventory are listed, and debtors must include the last date of physical inventory, the net book value of debtor's interest (if available), the valuation method used for current value, and the current value of debtor's interest. The form has been further amended to require the debtor to indicate whether the properties listed are perishable, whether any of the property was purchased within 20 days of the bankruptcy filing, and whether any of the property was appraised by a professional within the year prior to the bankruptcy filing.

In Part 6: *Farming- and Fishing-Related Assets* (other than titled motor vehicles and land), the form has been amended to require more detailed responses and to require the debtor to indicate the net book value of the debtor's interest, the valuation method used for current value, and the current value of debtor's interest. A requirement to list fishing supplies has been added. The form has been further amended to require the debtor to indicate whether the properties listed are perishable, whether any of the property was purchased within 20 days of the bankruptcy filing, whether a depreciation schedule is available for any of the property listed, and whether any of the property was appraised by a professional within the year prior to the bankruptcy filing.

Part 7: *Office furniture, fixtures, and equipment; and collectibles,* has been amended to combine several categories of assets and to require more detail, including requiring the debtor to indicate the net book value of the debtor's interest, the valuation method used for current value, and the current value of debtor's interest. Examples of collectibles are provided. The form has been further amended to require the debtor to indicate whether a depreciation schedule is available for any property listed and whether any of the property listed was appraised by a professional within the year prior to the bankruptcy filing.

Part 8: *Machinery, equipment, and vehicles*, has been amended to combine several categories of property and to require more detail, including requiring the debtor to indicate the net book value of the debtor's interest, the valuation method used for current value, and the current value of debtor's interest. More examples are provided for each property type. The form has been further amended to indicate whether a depreciation schedule is available for any property listed and whether any of the property listed was appraised by a professional within the year prior to the bankruptcy filing.

Part 9: *Real property*, includes the elements of Official Form 6A, *Real Property*, and has been amended to expand the required information to include the net book value of the debtor's interest and the valuation method used for current value. Also, an instruction has been added for the description and location of the property. The form has been further amended to indicate whether a depreciation schedule is available for any property listed and whether any of the property listed was appraised by a professional within the year prior to the bankruptcy filing.

Part 10: *Intangibles and intellectual property*, includes amendments to combine several categories of property and to include more property types. The debtor is required to list the net book value of the debtor's interest and the valuation method used for current value. The question regarding personally identifiable information has been revised, and the form has been amended to require the debtor to indicate if there is an amortization schedule or similar schedule available for any property listed and whether any of the property listed was appraised by a professional within the year prior to the bankruptcy filing.

Part 11: *All other assets*, includes a new category for notes receivable, which requires a description, including the name of the obligor, the face amount, and any uncollectible amount. In addition, the form has been amended to combine tax refunds and net operating losses into a single question and to require more detail, to delete the requirement to list the insurance company name for any interests in insurance policies, to expand the question regarding contingent and unliquidated claims, and to include examples of other property. The form has been further amended to include a question regarding whether the property listed was appraised by a professional within the year prior to the bankruptcy filing.

Part 12, *Summary*, has been amended to list relevant line numbers for each type of property.

**Official Form 206D**, Schedule D: Creditors Who Hold Claims Secured by Property, replaces Official Form 6D, Creditors Holding Secured Claims, for non-individual debtors and has been revised to eliminate instructions that pertain only to individuals. The form has been further amended to instruct debtors that if a creditor has more than one secured claim, to list the creditor separately for each claim; to list the creditor's email address, if known; to indicate if multiple creditors have an interest in the same collateral; to list the order of each creditor's priority interest in the collateral; and to indicate whether the creditor is an insider or related party. The debtor is also instructed to describe the lien and to fill out Schedule H: Codebtors, if anyone else is liable on the claim. Finally, the form has been amended to require the debtor to list the value of the debtor's property that secures the claim.

A new Part 2: *List Others to be Notified for a Debt Already Listed in Part 1* has been added, with instructions to list any others who must be notified about the bankruptcy for a debt listed in Part 1 of the form. Examples are provided. The debtor must include the relevant line from Part 1 and the last 4 digits of the account number for the entity.

A new Part 3: *Total Amounts of Claims and the Unsecured Portion of Claims*, has been added.

**Official Form 206E/F**, Schedule E/F: Creditors Who Hold Unsecured Claims, has been amended to combine Official Form 6E, Schedule E - Creditors Holding Unsecured Priority Claims and Official Form 6F, Schedule F - Creditors Holding Unsecured Nonpriority Claims for non-individual debtors. Priority unsecured claims are listed in Part 1, and nonpriority unsecured claims are listed in Part 2. The instructions have been revised to require the debtor to list the other party to any executory contract or unexpired lease on this schedule and on *Schedule A/B Real and Personal Property* and *Schedule G: Executory Contracts and Unexpired Leases* (Official Forms 206A/B and 206G).

Part 1. List All Creditors with PRIORITY Unsecured Claims, has been revised to delete the requirement to list the amount not entitled to priority and to add requirements to specify the Code section for the priority unsecured claim and whether the claim is subject to offset. A new requirement was added to Part 2, List All Creditor's with NONPRIORITY Unsecured Claims, to indicate if the claim is subject to offset. The instructions have also been significantly shortened. Part 3, List Others to be Notified About Unsecured Claims, has been added, with instructions to list any others any others who must be notified for claims listed in Parts 1 and 2. Examples are given. The debtor must include the relevant line from Part 1 or 2 and the last 4 digits of the account number for the entity. A new Part 4: Total Amounts of the Priority and Nonpriority Unsecured Claims has been added.

**Official Form 206G**, *Schedule G: Executory Contracts and Unexpired Leases*, replaces Official Form 6G - *Executory Contracts and Unexpired Leases* for nonindividual debtors. The form has been amended to delete the instruction regarding the listing of a minor child's name from the form as a caution is included in the general instructions for all forms regarding listing a minor child's name. A new requirement has been added to state the remaining term for any contract or lease listed.

**Official Form 206H**, *Schedule H: Codebtors*, replaces Official Form 6H - Codebtors for non-individual debtors. The form has been amended to delete the instruction regarding the listing of a minor child's name from the form as a caution is included in the general

instructions for all forms regarding listing a minor child's name. A new requirement is added to indicate by checkbox what schedule applies to each co-debtor.

Schedules C, Exemptions, I, Income and J, *Expenses.* There are no Official Forms for Schedules C, I, and J in non-individual debtor cases. There is no need for an Official Form 206C for non-individual debtors because exemptions are inapplicable to non-individual debtors. And, although section 521(a) of the Bankruptcy Code requires all debtors, including non-individual debtors, to provide schedules of income and expenses, uncertainty about the state of the debtor's business on the petition date - whether it is operating or not, for example - makes it difficult to create standard income and expense forms for non-individual debtors. Some bankruptcy courts have adopted local rules and forms for reporting the income and expenses of non-individual debtors, and Director's Procedural Forms 2060I and 2060J, can be used and modified as appropriate if there are no applicable local rules and forms.

**Declaration.** There is no Official Form 206, Declaration. The portion of Official Form 6 Declaration for a declaration on behalf of a corporation or partnership has been replaced by Official Form 202, *Declaration Under Penalty of Perjury for Non-Individual Debtors*. Official Form 202 includes checkboxes for the schedules included in Official Form 206.

# **Official Form 206—Sum**

No changes were made to Official Form 206—Sum after publication.

### **Official Form 206A/B**

The instruction at the beginning of the form regarding executory contracts and unexpired leases was revised to delete "with a net value."

In Part 5, Question 24, "Is any of the property listed in Part 5 subject to or part of a possible PACA claim?" and the two checkboxes following that inquiry were deleted.

The title of Part 6 was changed to "Farming and Fishing-Related Assets."

Question 27 was changed to "Does the debtor own or lease any farming or fishing-related assets?"

Line 32 was changed to "Other farming or fishingrelated assets not already listed in Part 6."

The words "or lease" were added after "own" at lines 38, 46, and 54.

Line 85 was changed to "Farming and Fishing-Related Assets."

In Question 70, the following instruction was added: "Include all interests in executory contracts and unexpired leases not previously included on this form."

# **Official Form 206D**

In Part 1, the heading of Column A was changed to "Amount of claim Do not deduct the value of collateral."

The heading of Column B was changed to **"Value** of collateral that supports this claim."

For each creditor's claim in Part 1, the fourth checkbox, which reads, "Liquidated and neither contingent nor disputed," was removed.

# **Official Form 206E/F**

The instructions on the form for Part 3 (line 5) were replaced with the following: **"List in alphabetical order any others who must be notified for a debt already listed in Parts 1 and 2. Examples of entities that may be listed are collection agencies, assignees of claims listed above, and attorneys for unsecured creditors. If no others need to be notified for the debts listed in Parts 1** 

# and 2, do not fill out or submit this page. If additional pages are needed, copy this page."

## **Summary of Public Comment**

**14-BK-0062** – The National Conference of **Bankruptcy Judges (NCBJ).** The NCBJ made stylistic and minor editing suggestions for Official Forms 206.

### **Official Form 206—Sum**

There were no comments on Official Form 206—Sum.

### **Official Form 206A/B**

**14-BK-0062** – **NCBJ.** Clarify the reference to "a possible PACA claim" in Question 24 by adding a citation to the PACA statute (Perishable Agricultural Commodities Act). Part 6 is labeled "Agricultural assets," but one of the questions (31) asks about fishing assets. Schedule G (Executory Contracts and Unexpired Leases) and its instructions indicate that executory contracts and unexpired leases with a positive net value should also be listed on Schedule A/B, but there is no specific category on Schedule A/B for doing so. The NCBJ suggested that a new category be added to Schedule A/B for that purpose.

### **Official Form 206D**

**14-BK-0062** – **NCBJ.** The statement in Column A—Do not deduct the value of the lien—is unclear. The NCBJ suggested labeling the column, "Total amount of claim" without any further instruction. The fourth checkbox (liquidated and neither contingent nor disputed)

is unnecessary. If a debtor does not check any of the first three checkboxes (contingent – unliquidated – disputed), the claim must be liquidated, noncontingent, and undisputed.

**14-BK-0122 – Professor Anne Lawton, Michigan State Univ. College of Law.** The instructions for Form 206D refer to a column C that would show the unsecured portion of an undersecured creditor's claim. That column does not appear on the form. It should be added.

# **Official Form 206E/F**

**14-BK-0062** – **NCBJ.** There is a discrepancy between the instructions for Part 2 of Schedule D and for the parallel part (Part 3) of Schedule E/F. Schedule D says not to submit that part if there are no others that need to be notified, whereas Schedule E/F requires checking a "no" box and submitting that part if no others need to be notified.

### **COMMITTEE NOTE**

Official Form 207, *Statement of Financial Affairs for Non-Individuals Filing for Bankruptcy*, replaces Official Form 7, *Statement of Financial Affairs*, for nonindividual debtors. It is renumbered to distinguish it from the forms used by individual debtors and includes formatting and stylistic changes throughout the form.

Official Form 207 is revised as part of the Forms Modernization Project, making it easier to read and, as a result, likely to generate more complete and accurate responses. The goals of the Forms Modernization Project include improving the interface between technology and the forms so as to increase efficiency and reducing the need to produce the same information in multiple formats.

The Forms Modernization Project made a preliminary decision that separate forms should be created for individual debtors and for non-individual debtors because separate areas of inquiry apply to each group. The forms for non-individuals do not include questions that pertain only to individuals and use a more open-ended response format. Also, where possible, the forms for nonindividuals parallel how businesses commonly keep their financial records.

The form is derived from Official Form 7, *Statement of Financial Affairs*, and has been substantially reorganized. The form is divided into 14 sections grouping similar questions together. Many of the instructions have been shortened, and questions and instructions pertaining to individual debtors have been deleted. The instructions at the beginning of the form have been shortened, and the definitions deleted or moved to other parts of the form.

In Part 1, *Income*, the questions regarding gross revenue from business and non-business revenue have been consolidated, and checkboxes have been added to indicate the source of revenue. A definition of gross revenue has been added. Also, the debtor is instructed to include revenue only once.

In Part 2, List Certain Transfers Made Before Filing for Bankruptcy, information that pertains only to individuals has been eliminated, and the questions related to payments made in the 90 days prior to bankruptcy, payments made to insiders within one year prior to bankruptcy, repossessions, and setoffs have been consolidated. Instructions have been added to include expense reimbursements in answer to the questions regarding payments and to exclude regular employee compensation from the question regarding payments within 90 days. A dollar limitation has been added to the instructions for the question regarding payments to insiders. Checkboxes have been added to both questions to provide a reason for the payment, and the explanation that the dollar limitation changes every three years has been moved to the instructions from the footnotes. "Amount still owing" has been removed, and a definition of "insider" has been added along with a statutory citation to the question regarding insiders. Partnerships have been added to examples of "insiders." The question regarding setoffs includes a revised definition and has been revised to require that the debtor provide a description of the creditor's actions and the last four digits of any account number.

In Part 3, *Legal Actions or Assignments*, several questions have been consolidated, instructions pertaining only to individuals have been removed, and additional examples have been added. Checkboxes have been added to indicate the status of the legal action. The requirement to list the terms of any assignment or settlement has been removed.

In Part 4, *Certain Gifts and Charitable Contributions*, instructions pertaining only to individuals have been removed, and the reporting threshold has been changed to \$1,000 per recipient. The look-back period has been increased from one to two years.

Part 5, *Certain Losses*, has been revised to expand the types of payments for losses, and an instruction has been added to list unpaid claims on Official Form 206A/B (*Schedule A/B: Assets – Real and Personal Property*). Portions of the instructions that pertain only to individuals have been removed. Losses due to gambling have been excluded from this part.

In Part 6, Certain Payments or Transfers, the questions regarding payments related to bankruptcy, payments to self-settled trusts, and other payments or transfers have been consolidated. Instructions and questions that relate only to individuals have been eliminated. An instruction has been added to include payments related to restructuring, and the email or website of the person who received the money or transfer is added as a requirement. In response to the question regarding self-settled trusts and other transfers not already listed, debtors are instructed to include payments or transfers of property made by a person acting on behalf of the debtor. A requirement has been added to the question regarding self-settled trusts to list the name of the trustee. The relationship to the debtor must be included for all transfers not already listed, as well as any debts paid in exchange. There is a reminder added not to include transfers already listed.

Part 7, *Previous Locations*, has been revised in the instructions, and information pertaining only to individuals has been deleted.

Part 8, *Healthcare Bankruptcies*, is new. Part 8 requires additional information if the debtor is primarily engaged in offering services and facilities for diagnosing or treating injury, deformity, or disease or providing any surgical, psychiatric, drug treatment or obstetric care. This part has been added to comply with the special requirements imposed by the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005.

Part 9, *Personally Identifiable Information*, is also new and includes questions about pension and profit sharing plans and adds a question about whether the debtor collects and retains personally identifiable information of customers. Questions are added about whether the debtor is the plan administrator of any pension or profit sharing plan and if any such plan is terminated. Similar to Part 8, this part has been added to comply with the special requirements imposed by the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005.

In Part 10, *Certain Financial Accounts, Safe Deposit Boxes, and Storage Units*, money market accounts have been added to the examples provided for the question regarding financial accounts, and checkboxes have been added to indicate the type of account. The requirement of the date of surrender of any safe deposit box has been removed. A question has been added about whether the debtor has property kept in storage units or warehouses within one year of filing, and the debtor must provide the facility name and address, the name and address of anyone with access to the facility, the description of the contents, and whether the debtor still has the storage unit or warehouse. Facilities that are in a part of a building in which the debtor does business are excluded.

In Part 11, *Property the Debtor Holds or Controls That the Debtor Does Not Own*, an instruction has been added to include any property borrowed from, being stored for, or held in trust, and to exclude leased or rented property.

Part 12, *Details About Environmental Information*, has been revised to include new definitions of "Environmental law," "Site," and "Hazardous materials." An instruction to report all notices, releases, and proceedings known, regardless of when they occurred, has been added.

In Part 13, Details About the Debtor's Business or Connections to Any Business, questions regarding various business issues have been consolidated, and instructions that pertain only to individuals have been eliminated. The five-percent ownership limitation has been eliminated. The phrase "kept or supervised the keeping of books or account and records" has been replaced with "maintained the debtor's books and records." The instructions for the question regarding auditing or preparation of financial records have been revised to add compiling and reviewing the debtor's books of account and records. A requirement has been added to explain if the debtor's books of account and records are unavailable. The questions regarding current and former officers, directors, managing members, general partners, members in control, or controlling shareholders have combined the formerly separate corporate and partnership questions. The question regarding former officers and partners has been changed to add the requirement of indicating the start and end dates for The instruction for withdrawals from a each listing. partnership or distribution by a corporation has been changed to add salary, other compensation, and draws to the list of examples.

In Part 14, *Signature and Declaration*, the declaration under penalty of perjury has been revised in order to conform to the language of 28 U.S.C. § 1746. See Rule 1008. A statement has been added that the individual signing on behalf of the debtor has reviewed the information in the Statement of Financial Affairs and any attachments and has "a reasonable belief that the information is true and correct." The signature boxes for bankruptcy petition preparers have been eliminated, and checkboxes for the debtor to indicate whether additional pages are attached to the form have been added.

## Notice of Chapter 7 Bankruptcy Case — No Proof of Claim Deadline 12/15

For the debtors listed above, a case has been filed under chapter 7 of the Bankruptcy Code. An order for relief has been entered.

# This notice has important information about the case for creditors, debtors, and trustees, including information about the meeting of creditors and deadlines. Read both pages carefully.

The filing of the case imposed an automatic stay against most collection activities. This means that creditors generally may not take action to collect debts from the debtors or the debtors' property. For example, while the stay is in effect, creditors cannot sue, garnish wages, assert a deficiency, repossess property, or otherwise try to collect from the debtors. Creditors cannot demand repayment from debtors by mail, phone, or otherwise. Creditors who violate the stay can be required to pay actual and punitive damages and attorney's fees. Under certain circumstances, the stay may be limited to 30 days or not exist at all, although debtors can ask the court to extend or impose a stay.

The debtors are seeking a discharge. Creditors who assert that the debtors are not entitled to a discharge of any debts or who want to have a particular debt excepted from discharge may be required to file a complaint in the bankruptcy clerk's office within the deadlines specified in this notice. (See line 9 for more information.)

To protect your rights, consult an attorney. All documents filed in the case may be inspected at the bankruptcy clerk's office at the address listed below or through PACER (Public Access to Court Electronic Records at <a href="http://www.pacer.gov">www.pacer.gov</a>).

### The staff of the bankruptcy clerk's office cannot give legal advice.

To help creditors correctly identify debtors, debtors submit full Social Security or Individual Taxpayer Identification Numbers, which may appear on a version of this notice. However, the full numbers must not appear on any document filed with the court.

Do not file this notice with any proof of claim or other filing in the case. Do not include more than the last four digits of a Social Security or Individual Taxpayer Identification Number in any document, including attachments, that you file with the court.

### **COMMITTEE NOTE**

Official Forms 309A-I, collectively the Bankruptcy Case Commencement Notices, have been revised as part of the Forms Modernization Project to make them easier to read and understand. The notices, derived from Official Forms 9A-I are renumbered and stylistic changes have been made.

References to the limitations on the automatic stay imposed by 11 U.S.C. § 362(c)(3) and (4) in some repeat bankruptcy filings by individuals have been deleted from the three versions of the notice for cases filed by corporations and partnerships. Email addresses for the debtor's attorney and the trustee have been added to the form.

The parties are informed that they may review papers filed in the case through the judiciary's PACER system (Public Access to Court Electronic Records) as well as at the bankruptcy clerk's office.

The lettering scheme for the versions of Official Form 309 track the versions of Official Form 9 used in different types of bankruptcy cases with following exceptions. Official Forms 9E(Alt.) and 9F(Alt.) have been eliminated by including alternative language in Official Forms 309E and 309F to be used if the court sets a deadline for filing claims at the start of the chapter 11 case. In addition, the B and C versions have been reversed in order. That is, Official Form 9C has been designated 309B and Official Form 9B as 309C. This groups together the notices for chapter 7 individual debtors and for nonindividual debtors. Finally, as a result of the reformatting, Official Form 309C has been reduced to a single page.

The four versions of the form for chapter 7 cases have been renamed to state whether the notice specifies a deadline for filing proofs of claim, rather than whether the case is an "asset" or "no-asset" case.

## **Changes Made after Publication**

The second bolded line at the beginning of all the forms was revised as follows: "This notice has important information about the case for creditors, debtors, and trustees, including information regarding deadlines and the meeting of creditors. Read both pages carefully."

The second sentence in the deadlines item on Forms 309B, 309D, 309E, 309G, 309H, and 309I, was revised as follows: "A proof of claim form may be obtained at <u>www.uscourts.gov</u> or any bankruptcy clerk's office." The revision also was made in the proof of claim deadlines item on Form 309F.

## **Summary of Public Comment**

14-BK-0062 – National Conference of Bankruptcy Judges (NCBJ). The meeting of creditors deadlines should be stated prominently on the first page of the forms, rather than on the second page. There is no need to state in the title of the form whether or not a proof of claim deadline has been set. This seems to be more of a convenience to the Clerk.

Critical filing deadlines in the case (objections to exemptions, discharge, dischargeability complaints, confirmation) are perhaps the most important information on the forms. These deadlines should be stated prominently on the first page.

**14-BK-0081** – Matthew T. Loughney, Bankruptcy Noticing Working Group. The Bankruptcy Noticing Center no longer sends out proof of claim forms with this notice. Therefore, in item 9 under "Deadlines for filing proof of claim," the second sentence should state that the form may be obtained at www.uscourts.gov or any bankruptcy clerk's office.

**14-BK-0084 – Ryan Johnson, Clerk, Bankruptcy Court for the Northern District of West Virginia**. There is no need to change existing Form B9A. The Debtor's full name is stated in the caption and on line 1. Once is sufficient. The hours of the bankruptcy clerk's office may vary with divisional offices and the information cannot be imparted in the space provided. Under proposed Rule 9009, it is unclear whether a clerk's office could include additional deadlines in these notices. The Northern District of West Virginia currently adds a deadline for objecting to venue.

The instructions state that the fee for an adversary proceeding must be received before the stated deadlines. The majority of bankruptcy clerk's offices – if not all – accept adversary complaints without the contemporaneous payment of the adversary filing fee. The Official Form should not attempt to inform a creditor on whether the filing of a proof of claim waives the right to a jury trial.

**14-BK-0088** – Scott Ford, Bankruptcy Clerks Advisory Group. "Meeting of Creditors and Deadlines" should be reinserted into the title of the forms so that those important dates will not be overlooked.

**14-BK-0115** – Anne Small, Securities and Exchange Commission (SEC), Office of General Counsel. Form 309F should be revised to state that a party seeking an exception under Section 1141(d)(6) from the discharge of a debt "may be required to" start a judicial proceeding.

#### **Summary of Public Comment**

**14-BK-0062** – **National Conference of Bankruptcy Judges (NCBJ).** The NCBJ suggested that Official Forms 312, 313, and 315 be made Director's Forms rather than Official Forms. The NCBJ stated that there is no compelling reason for uniformity in appearance or content of these forms and expressed concern that proposed Rule 9009 would prevent adjustments to the forms to meet the needs of particular cases.

The NCBJ stated that, considering the large variety of factual circumstances that are presented to bankruptcy courts, a court should not be restricted in its right to fashion its own orders. On all three of these common subjects, courts and individual judges have fashioned their own form of orders, many of which differ materially from the existing official forms. This is especially true with respect to chapter 11 confirmation orders.

#### **Committee Note**

Official Form 401 is required for any petition seeking recognition of a foreign proceeding under chapter 15 of the Bankruptcy Code. The form, which applies to foreign proceedings involving individual and nonindividual debtors, consolidates information formerly included on Official Form 1 (Voluntary Petition). The petition must be signed by the foreign representative, under penalty of perjury, and by the foreign representative's attorney.

The petition requires disclosure of the foreign proceeding in which the foreign representative has been appointed (Line 4) and whether it is a foreign main proceeding or foreign nonmain proceeding (Line 5). If the foreign representative seeks recognition of the foreign proceeding as a foreign main proceeding or, in the alternative, a foreign nonmain proceeding, that request should be indicated in Line 5. Each country where any additional foreign proceeding known to the foreign representative is pending must be disclosed on Line 7. See Bankruptcy Rule 1004.2. Evidence of the foreign proceeding and of the foreign representative's appointment must accompany the petition. See 11 U.S.C. § 1515(b). These documents must be translated into English in accordance with 11 U.S.C. § 1515(d). The foreign representative must also attach a list of persons or bodies entitled to notice. See Bankruptcy Rule 2002(q).

The petition calls for information about the debtor, including the debtor's name (Line 1), other unique identifying information, if available (Line 2), and center of main interest (Line 9). The type of debtor is also requested (Line 11).

The foreign representative must indicate the basis for venue in the district by selecting an appropriate checkbox and, if necessary, providing additional information, such as a statement explaining why venue in the district is appropriate (Line 12). See 28 U.S.C. § 1410.

#### **COMMITTEE NOTE**

Official Form 410, *Proof of Claim*, applies in all cases. Form 410 replaces Official Form 10, Proof of Claim. It is renumbered to distinguish it from the forms used by debtors for case opening, and includes stylistic changes throughout the form. It is revised as part of the Forms Modernization Project, making it easier to read and, as a result, likely to generate more complete and accurate responses. Because the goals of the Forms Modernization Project include improving the interface between technology and the forms so as to increase efficiency and reduce the need to produce the same information in multiple formats, many of the open-ended questions and multiple-part instructions have been replaced with more specific questions.

Official Form 410 has been substantially reorganized. A new question has been added at line 10 that solicits information about claims based on leases.

Official Form 410A, *Mortgage Proof of Claim Attachment*, is revised in its content and format. Rather than requiring a home mortgage claimant to fill in blanks with itemized information about the principal, interest, and fees due as of the petition date and the amount necessary to cure a prepetition default, the form now requires the claimant to provide a loan history that reveals when payments were received, how they were applied, when fees and charges were incurred, and when escrow charges were satisfied. Because completion of the revised form can be automated, it will permit claimants to comply with Rule 3001(c)(2)(C) with efficiency and accuracy. Attachment of a loan history with a home mortgage proof of claim will also provide transparency about the basis for the claimant's calculation of the claim and arrearage amount.

The loan history should begin with the first date on which the borrower failed to make a payment in accordance with the terms of the note and mortgage, unless the note was subsequently brought current with no principal, interest, fees, escrow payments, or other charges immediately payable.

Official Forms 410S1 and 410S2, *Notice of Mortgage Payment Change* and *Notice of Postpetition Mortgage Fees, Expenses, and Charges*, are revised as part of the Forms Modernization Project. There are formatting changes throughout the forms.

#### **Changes Made after Publication**

#### **Official Form 410**

In the instruction at the beginning of the form were slightly revised.

In Question 7, the following sentence was deleted "For leases state only the amount of default."

In Question 8, the instruction about supporting documents was revised as follows: "Attach redacted copies of any documents supporting the claim required by Bankruptcy Rule 3001(c)."

Question 11 was changed to "Is this claim subject to a right of setoff?"

### **Official Form 410A**

No changes were made to Official Form 410A after publication.

### **Official Form 410S1**

The first sentence of the instruction at the beginning of the form was revised to read, "If the debtor's plan provides for payment of postpetition contractual installments on your claim secured by a security interest in the debtor's principal residence, you must use this form to give notice of any changes in the installment payment amount."

After the second checkbox in Part 4, the following was deleted: "(Attach copy of power of attorney, if any.)."

### **Official Form 410S2**

The first sentence of the instruction at the beginning of the form was revised to read, "If the debtor's plan provides for payment of postpetition contractual installments on your claim secured by a security interest in the debtor's principal residence, you must use this form to give notice of any fees, expenses, and charges incurred after the bankruptcy filing that you assert are recoverable against the debtor or the debtor's principal residence."

After the second checkbox in Part 2, the following was deleted: "(Attach copy of power of attorney, if any.)."

#### **Summary of Public Comment**

#### **Official Form 410**

**14-BK-0062** – **National Conference of Bankruptcy Judges (NCBJ).** Why does the instruction in Question 7 say to state only the amount of default for lease claims? Like most other claims, a claim based on a lease may include future amounts due. The response to this question would duplicate the response to Question 10, which asks for the amount required to cure any default on a lease as of the date of the petition.

The NCBJ also made several editorial suggestions.

**14-BK-0084 – Ryan Johnson, Clerk, Bankruptcy Court for the Northern District of West Virginia.** The form should not suggest that claimants must use a paper version of this form to file proofs of claim because many bankruptcy courts allow filing proofs of claim through their websites.

Because addresses required by the proposed amendment to Rule 3007(a) may be different than the recipient designated for notice on the proof of claim form, space should be provided on Line 3 of Form 410 for the creditor to designate the name and address of the person to receive notice of an objection to claim.

14-BK-0088 – Scott Ford, Bankruptcy Clerks Advisory Group. Consider including the date the debt was incurred on the proof of claim. This information is important for the court and, if not included, will result in clerk's offices expending substantial time in reviewing attachments to determine the date.

**14-BK-0091 – Pennsylvania Bar Association.** The proposed Form 410 should be adopted. First, by renumbering the claim forms, it gathers together the various types of claims filed in bankruptcy cases in the 400 series of forms. Second, it adds a much-needed provision regarding whether the claim is based upon a lease, including instructions regarding the calculation of the cure amount as of the petition date.

**0126** – **Diana Erbsen (U.S. Department of Justice).** Add a specific reference to a mortgage in Line 9 of Part 2 of the form to differentiate non-consensual liens.

### **Official Form 410A**

**14-BK-0007** –**Laura Faulkner.** An exception to the loan history requirement should be made for debtors who file proofs of claim on behalf of mortgagees. Debtors will not have access to the loan history required by Official Form 410A.

**14-BK-0091** – **Pennsylvania Bar Association.** Revised Form 410A not be adopted simultaneously with the proposed amendments to Rule 3002(c), which will require secured creditors to file claims within 60 days of the petition, and to Rule 9009, which will require strict adherence to the Official Forms. It would be better to implement Official Form 410A and Rule 3002 in stages, first allowing creditors to adjust to the additional information required by the form and then imposing the shorter time limit of amended Rule 3002(c).

**0105** – **Hilary Bonial (Buckley Madole, P.C.).** Proposed Form 410A provides two lines in Part 3 for escrow included in the arrearage. The division of escrow into advanced amounts and projected escrow shortage will not align with the escrow shortage amount on many bankruptcy escrow statements created by creditors to comply with Rule 3001(c)(2)(C). Even though the total arrearage amount will be the same, this may create more confusion and lead to more objections and litigation, which this form seeks to avoid.

**0126** – **Diana Erbsen (U.S. Department of Justice).** Current Form 10A, which proposed Form 410A would replace, requires the itemization of fees, expenses, and charges ("fees") in accordance with a specified list. Because the proposed form omits the listing of specified types of fees, creditors might aggregate fees into a single entry. As a result, there will be less transparency, accuracy, and efficiency in the bankruptcy claims process.

### **Official Form 410S1**

**14-BK-0062** – National Conference of **Bankruptcy Judges (NCBJ).** The instruction at the beginning of the form was not revised to conform with the proposed amendment to Rule 3002.1(a).

**0105** – **Hilary Bonial (Buckley Madole, P.C.).** The proof of claim form no longer requires a creditor's agent to attach a power of attorney, and it should not be required for this form or for Official Form 410S2.

### **Official Form 410S2**

#### 14-BK-0062 – National Conference of

**Bankruptcy Judges (NCBJ).** The NCBJ made comments about this form similar to its comments on Form 410S1.

#### 14-BK-0105 - Hilary Bonial (Buckley Madole,

**P.C.).** Ms. Bonial made comments about this form similar to her comments on Form 410S1.

10	INTENTION TO COMMUNICATE WITH FOREIGN
11	COURTS AND FOREIGN REPRESENTATIVES.
12	(1) Notice of Petition for Recognition. After
13	the filing of a petition for recognition of a foreign
14	proceeding, the court shall promptly schedule and
15	hold a hearing on the petition. The clerk, or some
16	other person as the court may direct, shall forthwith
17	give the debtor, all persons or bodies authorized to
18	administer foreign proceedings of the debtor, all

19	entities against whom provisional relief is being
20	sought under §1519 of the Code, all parties to
21	litigation pending in the United States in which the
22	debtor is a party at the time of the filing of the
23	petition, and such other entities as the court may
24	direct, at least 21 days' notice by mail of the hearing
25	on the petition for recognition of a foreign proceeding.
26	The notice shall state whether the petition seeks
27	recognition as a foreign main proceeding or foreign
28	nonmain proceeding and shall include the petition and
29	any other document the court may require. If the
30	court consolidates the hearing on the petition with the
31	hearing on a request for provisional relief, the court
32	may set a shorter notice period, with notice to the
33	entities listed in this subdivision.

\* \* \* \* \*

#### **Committee Note**

Subdivision (q) is amended to clarify the procedures for giving notice in cross-border proceedings. The amended rule provides, in keeping with Code § 1517(c), for the court to schedule a hearing to be held promptly on the petition for recognition of a foreign proceeding. The amended rule contemplates that a hearing on a request for provisional relief may sometimes overlap substantially with the merits of the petition for recognition. In that case, the court may choose to consolidate the hearing on the request for provisional relief with the hearing on the petition for recognition, see Rules 1018 and 7065, and accordingly shorten the usual 21-day notice period.

1 2 3	Rule 3002.1. Notice Relating to Claims Secured by Security Interest in the Debtor's Principal Residence
4	(a) IN GENERAL. This rule applies in a chapter 13
5	case to claims $(1)$ that are $(1)$ secured by a security interest
6	in the debtor's principal residence, and (2) for which the
7	plan provides that either the trustee or the debtor will make
8	contractual installment paymentsprovided for under
9	§ 1322(b)(5) of the Code in the debtor's plan. Unless the
10	court orders otherwise, the notice requirements of this rule
11	cease to apply when an order terminating or annulling the
12	automatic stay becomes effective with respect to the
13	residence that secures the claim.

\* \* \* \* \*

#### **Committee Note**

Subdivision (a) is amended to clarify the applicability of the rule. Its provisions apply whenever a chapter 13 plan provides that contractual payments on the debtor's home mortgage will be maintained, whether they will be paid by the trustee or directly by the debtor. The reference to § 1322(b)(5) of the Code is deleted to make

clear that the rule applies even if there is no prepetition arrearage to be cured. So long as a creditor has a claim that is secured by a security interest in the debtor's principal residence and the plan provides that contractual payments on the claim will be maintained, the rule applies.

Subdivision (a) is further amended to provide that, unless the court orders otherwise, the notice obligations imposed by this rule cease on the effective date of an order granting relief from the automatic stay with regard to the debtor's principal residence. Debtors and trustees typically do not make payments on mortgages after the stay relief is granted, so there is generally no need for the holder of the claim to continue providing the notices required by this rule. Sometimes, however, there may be reasons for the debtor to continue receiving mortgage information after stay relief. For example, the debtor may intend to seek a mortgage modification or to cure the default. When the court determines that the debtor has a need for the information required by this rule, the court is authorized to order that the notice obligations remain in effect or be reinstated after the relief from the stay is granted.

#### **Summary of Public Comment**

(**0062**) National Conference of Bankruptcy Judges. The NCBJ supports the proposed amendment to Rule 3002.1.

(0091) Pennsylvania Bar Association. The proposed amendments to Rule 3002.1 serve to clarify several important conflicts that have arisen since the rule was originally adopted. Adoption of Rule 3002.1 is recommended.

(0105) Hilary Bonial (Buckley Madole, P.C.). Rule 3002.1 should be further amended to exclude junior liens and home equity lines of credit (HELOCs) because payments can change often, even monthly, with a HELOC. It can be burdensome for both creditors and courts to file monthly notices. These creditors should instead be allowed to send statements to debtors advising of payment changes instead of filing notices with the court.

(0116) Alberta Hultman (USFN). Rule 3002.1 should include an exception for de minimis payment changes, such as frequently occur with HELOCs. Notices for payment changes below a certain threshold amount should either not be required or be required only biannually.

12	Rule 9006(a).

<sup>&</sup>lt;sup>1</sup> This wording reflects the proposed amendment published in August 2013.

#### **Committee Note**

Subdivision (f) is amended to remove service by electronic means under Civil Rule 5(b)(2)(E) from the modes of service that allow three added days to act after being served.

Rule 9006(f) and Civil Rule 6(d) contain similar provisions providing additional time for actions after being served by mail or by certain modes of service that are identified by reference to Civil Rule 5(b)(2). Rule 9006(f)—like Civil Rule 6(d)—is amended to remove the reference to service by electronic means under Rule 5(b)(2)(E). The amendment also adds clarifying parentheticals identifying the forms of service under Rule 5(b)(2) for which three days will still be added.

Civil Rule 5(b)—made applicable in bankruptcy proceedings by Rules 7005 and 9014(b)—was amended in 2001 to allow service by electronic means with the consent of the person served. Although electronic transmission seemed virtually instantaneous even then, electronic service was included in the modes of service that allow three added days to act after being served. There were concerns that the transmission might be delayed for some time, and particular concerns that incompatible systems might make it difficult or impossible to open attachments. Those concerns have been substantially alleviated by advances in technology and widespread skill in using electronic transmission.

A parallel reason for allowing the three added days was that electronic service was authorized only with the consent of the person to be served. Concerns about the reliability of electronic transmission might have led to refusals of consent; the three added days were calculated to alleviate these concerns.

Diminution of the concerns that prompted the decision to allow the three added days for electronic transmission is not the only reason for discarding this indulgence. Many rules have been changed to ease the task of computing time by adopting 7-, 14-, 21-, and 28-day periods that allow "day-of-the-week" counting. Adding three days at the end complicated the counting, and increased the occasions for further complication by invoking the provisions that apply when the last day is a Saturday, Sunday, or legal holiday.

The ease of making electronic service after business hours, or just before or during a weekend or holiday, may result in a practical reduction in the time available to respond. Extensions of time may be warranted to prevent prejudice.

Eliminating Rule 5(b) subparagraph (2)(E) from the modes of service that allow three added days means that the three added days cannot be retained by consenting to service by electronic means. Consent to electronic service in registering for electronic case filing, for example, does not count as consent to service "by any other means" of delivery under subparagraph (F).

#### **Changes Made After Publication**

No changes were made to the rule text after publication. The penultimate paragraph was added to the Committee Note.

#### **Summary of Public Comment**

(0084) Ryan Johnson (Clerk, Bankr. N.D.W. Va.). It is unclear whether the proposed amendments to Rule 3007(a) [Objections to Claims – Time and manner of service] and to Rule 9006(f) allow 33 days or just 30 for a response to an objection to a claim.

(0091) Pennsylvania Bar Association. Adoption of the proposed amendment is recommended.

(0094) Ellie Bertwell (Aderant CompuLaw). It is unclear whether the amended rule will apply to documents served before the rule's effective date if the time period for taking action extends after the effective date.

(0106) Stephanie Edmondson (Clerk, Bankr. E.D.N.C.). The proposed amendment will result in different deadlines for taking action in response to service of a single document if there are different methods of service.

#### (0126) Diana Erbsen (U.S. Department of Justice).

Elimination of the 3-day rule for electronic service could result in prejudice or unfairness to the recipient because, unlike personal service, electronic service does not ensure actual receipt by the person served.

## **COMMITTEE NOTE**

The schedules to be used in cases of individual debtors are revised as part of the Forms Modernization Project, making them easier to read and, as a result, likely to generate more complete and accurate responses. The goals of the Forms Modernization Project include improving the interface between technology and the forms so as to increase efficiency and reduce the need to produce the same information in multiple formats. Therefore, many of the open-ended questions and multiple-part instructions have been replaced with more specific questions. The individual debtor schedules are also renumbered, starting with the number 106 and followed by the letter or name of the schedule to distinguish them from the versions to be used in non-individual cases.

**Official Form 106Sum,** Summary of Your Assets and Liabilities and Certain Statistical Information, replaces Official Form 6, Summary of Schedules and Statistical Summary of Certain Liability and Related Data (28 U.S.C. § 159), in cases of individual debtors.

The form is reformatted and updated with crossreferences indicating the line numbers of specific schedules from which the summary information is to be gathered. In addition, because most filings are now done electronically, the form no longer requires the debtor to indicate which schedules are attached or to state the number of sheets of paper used for the schedules.

**Official Form 106A/B**, *Schedule A/B: Property*, consolidates information about an individual debtor's real and personal property into a single form. It replaces Official Form 6A, *Real Property*, and Official Form 6B, *Personal Property*, in cases of individual debtors. In addition to specific questions about the assets, the form also includes open text fields for providing additional information regarding particular assets when appropriate.

The layout and categories of property on Official Form 106A/B have changed. Instead of dividing property interests into two categories (real or personal property), the new form uses seven categories likely to be more familiar to non-lawyers: real estate, vehicles, personal household items, financial assets, business-related property, farm- and commercial fishing-related property, and a catch-all category for property that was not listed elsewhere in the form. The new form categories and the examples provided in many of the categories are designed to prompt debtors to be thorough and list all of their interests in property. The debtor may describe generally items of minimal value (such as children's clothes) by adding the value of the items and reporting the total.

Although a particular item of property may fit into more than one category, the instructions for the form explain that it should be listed only once.

In addition, because property that falls within a particular category may not be specifically elicited by the particular line items on the form, the debtor is asked in Parts 3–6 (lines 14, 35, 44, and 51) to specifically identify and value any other property in the category.

In Part 1, *Describe Each Residence, Building, Land, or Other Real Estate You Own or Have an Interest In*, the debtor is asked to state the "current value of the portion you own," and to also state who has an interest in the property. In addition, the debtor is asked for the nature of the ownership interest, if known by the debtor. Furthermore, instead of asking for an open-ended description of the property, the form guides the debtor in answering the description question by providing eight options from which to choose: single-family home, duplex or multi-unit building, condominium or cooperative, manufactured or mobile home, land, investment property, timeshare, and other.

Part 2, *Describe Your Vehicles*, also guides the debtor in answering the question, asking for the make, model, year, and mileage of the car or other vehicle. Because mileage is just a general indication of vehicle value, the debtor is not required to list the exact mileage, but instead is prompted to provide the approximate mileage.

Part 3, *Describe Your Personal and Household Items*, simplifies wording, updates categories, and uses more common terms. For example, "Wearing apparel" is changed to "Clothes" and examples include furs, which were previously grouped with jewelry. Firearms, on the

other hand, which were previously grouped with sports and other hobbies, are now set out as a separate category. Additionally, because a new Part 6 has been added to separately describe-farm related property, Part 3 includes a category for "Non-farm animals."

Part 4, *Describe Your Financial Assets*, prompts a listing of the debtor's financial assets through several questions providing separate space, after each listed type of account or deposit, for the institution or issuer name and the value of the debtor's interest in the asset. Two new categories of financial assets are added: "Bonds, mutual funds, or publicly traded stocks" and "Claims against third parties, whether or not you have filed a lawsuit or made a demand for payment." In addition, qualified ABLE accounts, as defined in 26 U.S.C. § 529A(b), are added to the list of accounts in question 24. This change is made in response to the Tax Increase Prevention Act of 2014, Pub. Law No. 113-295, which excludes ABLE account contributions meeting the specified requirements from property of the estate.

Part 5, *Describe Any Business-Related Property You Own or Have an Interest In*, provides prompts for listing business-related property, such as accounts receivable, inventory, and machinery, and includes a direction to list business-related real estate in Part 1, to avoid listing real estate twice.

Part 6, Describe Any Farm- and Commercial Fishing-Related Property You Own or Have an Interest In, provides prompts for listing farm- or commercial fishing-related property, such as farm animals, crops, and feed. It also includes a direction to list any farm- or commercial fishing-related real estate in Part 1.

Part 7, Describe All Property You Own or Have an Interest in That You Did Not List Above, is a catch-all provision that allows the debtor to report property that is difficult to categorize.

Part 8, *List the Totals of Each Part of this Form*, tabulates the total value of the debtor's interest in the listed property. The tabulation includes two subtotals, one for real estate, which corresponds to the real property total that was reported on former Official Form 6A. The second

subtotal is of Parts 2-7, which corresponds to the personal property total that was reported on former Official Form 6B.

**Official Form 106C**, *Schedule C: The Property You Claim as Exempt*, replaces Official Form 6C, *Property Claimed as Exempt*, in cases of individual debtors.

Part 1, *Identify the Property You Claim as Exempt*, includes a table to list the property the debtor seeks to exempt, the value of the property owned by the debtor, the amount of the claimed exemption, and the law that allows the exemption. The first column asks for a brief description of the exempt property, and it also asks for the line number where the property is listed on Schedule A/B. The second column asks for the value of the portion of the asset owned by the debtor, rather than the entire asset. The third column asks for the amount, rather than the value, of the exemption claim.

The form has also been changed in light of the Supreme Court's ruling in *Schwab v. Reilly*, 560 U.S. 770 (2010). Entries in the "amount of the exemption you claim" column may now be listed as either a dollar limited amount or as 100% of fair market value, up to any applicable statutory limit. For example, a debtor might claim 100% of fair market value for a home covered by an exemption capped at \$15,000, and that limit would be applicable. This choice would impose no dollar limit where the exemption is unlimited in dollar amount, such as some exemptions for health aids, certain governmental benefits, and tax-exempt retirement funds.

**Official Form 106D**, Schedule D: Creditors Who Hold Claims Secured by Property, replaces Official Form 6D, Creditors Holding Secured Claims, in cases of individual debtors.

Part 1, *List Your Secured Claims*, now directs the debtor to list only the last four digits of the account number. Part 1 also adds four checkboxes with which to describe the nature of the lien: an agreement the debtor made (such as mortgage or secured car loan); statutory lien (such as tax lien, mechanic's lien); judgment lien from a lawsuit; and other.

The form adds Part 2, *List Others to Be Notified for a Debt That You Already Listed*. The debtor is instructed to use Part 2 if there is a need to notify someone about the bankruptcy filing other than the creditor for a debt listed in Part 1. For example, if a collection agency is trying to collect for a creditor listed in Part 1, the collection agency would be listed in Part 2.

**Official Form 106E/F**, Schedule E/F: Creditors Who Have Unsecured Claims, consolidates information about priority and nonpriority unsecured claims into a single form. It replaces Official Form 6E, Creditors Holding Unsecured Priority Claims, and Official Form 6F, Creditors Holding Unsecured Nonpriority Claims, in cases of individual debtors.

Although both priority and nonpriority unsecured claims are reported in Official Form 106E/F, the two types of claims are separately grouped so that the total for each type can be reported for case administration and statistical purposes. The form eliminates the question "consideration for claim" and instructs debtors to list claims in the alphabetical order of creditors as much as possible.

Part 1, *List All of Your PRIORITY Unsecured Claims*, includes four checkboxes for identifying the type of priority that applies to the claim: domestic support obligations; taxes and certain other debts owed to the government; claims for death or personal injury while intoxicated; and "other." The first three categories are required to be separately reported for statistical purposes. If the debtor selects "other," the debtor must specify the basis of the priority, *e.g.*, wages or employee benefit plan contribution.

Part 2, *List All of Your NONPRIORITY Unsecured Claims*, contains four checkboxes, including three for types of claims that must be separately reported for statistical purposes: student loans; obligations arising out of a separation agreement or divorce not listed as priority claims; and debts to pension or profit-sharing plans and other similar debts. The remaining "other" checkbox treats claims not subject to separate reporting. If the debtor selects "other," the debtor must specify the basis of the claim. Part 3, *List Others to Be Notified About a Debt That You Already Listed*, is new. The debtor is instructed to use Part 3 only if there is a need to give notice of the bankruptcy to someone other than a creditor listed in Parts 1 and 2. For example, if a collection agency is trying to collect for a creditor listed in Part 1, the collection agency would be listed in Part 3.

Finally, Part 4, *Add the Amounts for Each Type of Unsecured Claim*, requires the debtor to provide the total amounts of particular types of unsecured claims for statistical reporting purposes and the overall totals of the priority and nonpriority unsecured claims reported in this form.

**Official Form 106G**, Schedule G: Executory Contracts and Unexpired Leases, replaces Official Form 6G, Executory Contracts and Unexpired Leases, in cases of individual debtors.

The form is simplified. Instead of requiring the debtor to make multiple assertions about each potential executory contract or unexpired lease, the form simply requires the debtor to identify the name and address of the other party to the contract or lease, and to state what the contract or lease deals with. Definitions and examples of executory contracts and unexpired leases are included in the separate instructions for the form.

An additional page is provided in case the debtor has so many executory contracts and unexpired leases that the available page is not adequate. If the debtor needs to use the additional page, the debtor is required to fill in the entry number.

**Official Form 106H,** *Schedule H: Your Codebtors*, replaces Official Form 6H, *Codebtors*, in cases of individual debtors.

The form breaks out the questions about whether there are any codebters, and whether the debtor has lived with a spouse, former spouse, or legal equivalent in a community property state in the prior eight years. It also removes Alaska from the listed community property states. Finally, it asks the debtor to indicate where the debt is listed on Schedule D, Schedule E/F, or Schedule G, thereby eliminating the need to list the name and address of the creditor.

**Official Form 106I,** *Schedule I: Your Income*, replaces Official Form 6I, *Your Income*, in cases of individual debtors.

The form is one of an initial set of forms that were published as part of the Forms Modernization Project in 2012. It is renumbered and internal cross references are updated to conform to the new numbering system now being introduced by the Forms Modernization Project.

**Official Form 106J,** *Schedule J: Your Expenses*, replaces Official Form 6J, *Your Expenses*, in cases of individual debtors.

The form is one of an initial set of forms that were published as part of the Forms Modernization Project in 2012. It is renumbered and internal cross references are updated to conform to the new numbering system now being introduced by the Forms Modernization Project.

The form has been revised to include references to new *Schedule J-2: Expenses for Separate Household of Debtor 2* (Official Form 106J-2) at line 1 and new line 22b. The revisions clarify how to calculate monthly net income in joint cases where Debtor 1 and Debtor 2 maintain separate households. Line 22b is added so Schedule J and Schedule J-2 are easily coordinated.

**Official Form 106J-2** is new. It is used to report the monthly expenses of Debtor 2 in a joint debtor case only if Debtor 1 and Debtor 2 maintain separate households.

**Official Form 106Dec,** *Declaration About an Individual Debtor's Schedules*, replaces Official Form 6, *Declaration Concerning Debtor's Schedules*, in cases of individual debtors.

The form, which is to be signed by the debtor and filed with the debtor's schedules, deletes the Declaration and Signature of Bankruptcy Petition Preparer (BPP). Instead, the debtor is directed to complete and file Official Form 119, *Bankruptcy Petition Preparer's Notice*,

*Declaration, and Signature*, if a BPP helped fill out the bankruptcy forms.

Because the form applies only to individual debtors, it no longer contains the Declaration Under Penalty of Perjury on Behalf of a Corporation or Partnership. It also deletes from the declaration the phrase "to the best of my knowledge, information, and belief" in order to conform to the language of 28 U.S.C. § 1746. *See* Rule 1008.

Statement of Intention for Individuals Filing Under Chapter 7 Bankruptcy Appendices

## **COMMITTEE NOTE**

Official Form 108, *Statement of Intention for Individuals Filing Under Chapter* 7, is revised in its entirety as part of the Forms Modernization Project, making it easier to read and, as a result, likely to generate more complete and accurate responses. In addition, the form is renumbered, and stylistic changes are made throughout the form.

The form is derived from former Official Form 8, *Chapter 7 - Individual Debtor's Statement of Intention.* The new form uses language likely to be understandable to non-lawyers. In addition, the instructions are more extensive, advising an individual Chapter 7 debtor that the form must be completed and filed within 30 days and that the debtor must deliver copies of the form to creditors and lessors listed on the form.

Part 1, *Your Creditors Who Hold Secured Claims*, refers to entering into a "Reaffirmation Agreement" rather than asking whether the debtor intends to "reaffirm the debt." In addition, the debtor is asked if the property is claimed as exempt on Schedule C (Official Form 106C).

Part 2, *List Your Unexpired Personal Property Leases*, defines unexpired leases and explains that a debtor may assume an unexpired personal property lease if the trustee does not assume it.

Be as complete and accurate as possible. If two married people are filing together, both are equally responsible for being accurate. If more space is needed, attach a separate sheet to this form. Include the line number to which the additional information applies. On the top of any additional pages, write your name and case number (if known). If you believe that you are exempted from a presumption of abuse because you do not have primarily consumer debts or because of qualifying military service, complete and file *Statement of Exemption from Presumption of Abuse Under § 707(b)(2)* (Official Form 122A-1Supp) with this form.

## Part 1: Calculate Your Current Monthly Income

1. What is your marital and filing status? Check one only.

**Not married.** Fill out Column A, lines 2-11.

Arried and your spouse is NOT filing with you. You and your spouse are:

Living in the same household and are not legally separated. Fill out both Columns A and B, lines 2-11.

Living separately or are legally separated. Fill out Column A, lines 2-11; do not fill out Column B. By checking this box, you declare under penalty of perjury that you and your spouse are legally separated under nonbankruptcy law that applies or that you and your spouse are living apart for reasons that do not include evading the Means Test requirements. 11 U.S.C. § 707(b)(7)(B).

Fill in the average monthly income that you received from all sources, derived during the 6 full months before you file this bankruptcy case. 11 U.S.C. § 101(10A). For example, if you are filing on September 15, the 6-month period would be March 1 through August 31. If the amount of your monthly income varied during the 6 months, add the income for all 6 months and divide the total by 6. Fill in the result. Do not include any income amount more than once. For example, if both spouses own the same rental property, put the income from that property in one column only. If you have nothing to report for any line, write \$0 in the space.

# **Chapter 7 Means Test Calculation**

12/15

To fill out this form, you will need your completed copy of Chapter 7 Statement of Your Current Monthly Income (Official Form 122A-1).

Be as complete and accurate as possible. If two married people are filing together, both are equally responsible for being accurate. If more space is needed, attach a separate sheet to this form. Include the line number to which the additional information applies. On the top of any additional pages, write your name and case number (if known).

### Part 2: Calculate Your Deductions from Your Income

The Internal Revenue Service (IRS) issues National and Local Standards for certain expense amounts. Use these amounts to answer the questions in lines 6-15. To find the IRS standards, go online using the link specified in the separate instructions for this form. This information may also be available at the bankruptcy clerk's office.

Deduct the expense amounts set out in lines 6-15 regardless of your actual expense. In later parts of the form, you will use some of your actual expenses if they are higher than the standards. Do not deduct any amounts that you subtracted from your spouse's income in line 3 and do not deduct any operating expenses that you subtracted from income in lines 5 and 6 of Form 122A–1.

If your expenses differ from month to month, enter the average expense.

Whenever this part of the form refers to you, it means both you and your spouse if Column B of Form 122A-1 is filled in.

#### 5. The number of people used in determining your deductions from income

Fill in the number of people who could be claimed as exemptions on your federal income tax return, plus the number of any additional dependents whom you support. This number may be different from the number of people in your household.

National Standards You must use the IRS National Standards to answer the questions in lines 6-7.

- 6. Food, clothing, and other items: Using the number of people you entered in line 5 and the IRS National Standards, fill in the dollar amount for food, clothing, and other items.
- 7. **Out-of-pocket health care allowance:** Using the number of people you entered in line 5 and the IRS National Standards, fill in the dollar amount for out-of-pocket health care. The number of people is split into two categories—people who are under 65 and people who are 65 or older—because older people have a higher IRS allowance for health care costs. If your actual expenses are higher than this IRS amount, you may deduct the additional amount on line 22.

# **Chapter 13 Calculation of Your Disposable Income**

12/15

To fill out this form, you will need your completed copy of *Chapter 13 Statement of Your Current Monthly Income and Calculation of Commitment Period* (Official Form 122C–1).

Be as complete and accurate as possible. If two married people are filing together, both are equally responsible for being accurate. If more space is needed, attach a separate sheet to this form. Include the line number to which the additional information applies. On the top of any additional pages, write your name and case number (if known).

#### Part 1: Calculate Your Deductions from Your Income

The Internal Revenue Service (IRS) issues National and Local Standards for certain expense amounts. Use these amounts to answer the questions in lines 6-15. To find the IRS standards, go online using the link specified in the separate instructions for this form. This information may also be available at the bankruptcy clerk's office.							
Deduct the expense amounts set out in lines 6-15 regardless of your actual expense. In later parts of the form, you will use some of your actual expenses if they are higher than the standards. Do not include any operating expenses that you subtracted from income in lines 5 and 6 of Form 122C–1, and do not deduct any amounts that you subtracted from your spouse's income in line 13 of Form 122C–1.							
If your expenses differ from month to month, enter the average expense.							
Note: Line numbers 1-4 are not used in this form. These numbers apply to information required by a similar form used in chapter 7 cases.							
5. The number of people used in determining your deductions from income Fill in the number of people who could be claimed as exemptions on your federal income tax return, plus the number of any additional dependents whom you support. This number may be different from the number of people in your household.							
National StandardsYou must use the IRS National Standards to answer the questions in lines 6-7.							
<ol> <li>Food, clothing, and other items: Using the number of people you entered in line 5 and the IRS National Standards, fill in the dollar amount for food, clothing, and other items.</li> </ol>							
7. Out-of-pocket health care allowance: Using the number of people you entered in line 5 and the IRS National Standards, fill in the dollar amount for out-of-pocket health care. The number of people is split into two categories—people who are under 65 and people who are 65 or older—because older people have a higher IRS allowance for health care costs. If your actual expenses are higher than this IRS amount, you may deduct the additional amount on line 22.

Official Forms 122A-1, 122A-1Supp, 122A-2, 122B, 122C-1, and 122C-2 are updated to comport with the form numbering style developed as part of the Forms Modernization Project. The forms are derived from Official Forms 22A-1, 22A-1Supp, 22A-2, 22B, 122C-1, and 22C-2.

A statement is added to line 26 of Forms 122A-2 and 122C-2 explaining that contributions to qualified ABLE accounts, as defined in 26 U.S.C. § 529A(b), may be included in the deduction for contributions to the care of household or family members. Authorization of the deduction of such contributions was added to Bankruptcy Code § 707(b)(2)(A)(ii)(II) by the Tax Increase Prevention Act of 2014, Pub. Law No. 113-295.

Official Forms 122A-1, 122B, and 122C-1 are revised to add a workspace column for debtor 2 at questions 5 and 6 on the forms.

Official Form 122B is also revised to remove former Part 2. This portion of the form provided for the exclusion of certain income of a debtor's non-filing spouse; since that income is not required to be reported, its exclusion is unnecessary.

Other stylistic changes were made throughout the forms.

The form number is updated to comport with the form numbering style developed as part of the Forms Modernization Project. Other stylistic changes were made throughout the form.

Official Form 107, Statement of Financial Affairs for Individuals Filing for Bankruptcy, which applies only in cases of individual debtors, is revised in its entirety as part of the Forms Modernization Project, making it easier to read and, as a result, likely to generate more complete and accurate responses. The goals of the Forms Modernization Project include improving the interface between technology and the forms so as to increase efficiency and reduce the need to produce the same information in multiple formats. Therefore, many of the open-ended questions and multiplepart instructions have been replaced with more specific questions. In addition, the form is renumbered to distinguish it from the version to be used in non-individual cases, and stylistic changes were made throughout the form.

The form is derived from former Official Form 7, *Statement of Financial Affairs*. The new form uses eleven sections likely to be more understandable to non-lawyers, groups questions of a similar nature together, and eliminates questions unrelated to individual debtors. The new form deletes the instruction, previously found in many questions, that married debtors filing under chapter 12 or chapter 13 must include information applicable to their spouse, even if their spouse is not filing with them, unless the spouses are separated. This change was made because a non-filing spouse's general financial affairs are not relevant to the debtor's bankruptcy case.

Part 1, *Give Details About Where You Lived Before*, moves the questions regarding the debtor's prior addresses, as well as residences in a community property state, to the beginning of the form. The form eliminates the "name used" question in reference to prior addresses. Also, the debtor is no longer required to list the name of a spouse or former spouse who lived with the debtor in a community property state since that information will be provided in Official Form 106H. Part 2, *Explain the Sources of Your Income*, consolidates the questions regarding income, adding "wages, commissions, bonuses, tips" as a category for sources of income, and it eliminates the option to report income on a fiscal year basis. In addition, the form provides examples of types of "other income." The time period is clarified to indicate that the prior two years means two calendar years, plus the portion of the calendar year in which the bankruptcy is filed.

Part 3, List Certain Payments You Made Before You Filed for Bankruptcy, includes questions related to payments made in the 90 days prior to bankruptcy, with a separate question for payments made to insiders within one year before filing for bankruptcy. The statutory definition of consumer debt is provided. The question regarding the nature of the debtor's debts requires the debtor to use checkboxes to indicate whether or not they are primarily consumer debts. The form instructs debtors not to include payments for domestic support obligations in the section regarding insider payments. The form provides a separate question regarding payments or transfers on account of a debt that benefited an insider. For both questions regarding payments to insiders, the debtor is required to provide a reason for the payment. Partnerships of which the debtor is a general partner have been added to the examples of "insiders."

Part 4, *Identify Legal Actions, Repossessions, and Foreclosures*, consolidates questions regarding actions against the debtor's property. The form provides examples of types of legal actions, and requires the debtor to indicate the status of any action. The form adds the requirements that a debtor include any property levied on within a year of filing for bankruptcy and that the debtor provide the last four digits of any account number for any setoffs. Also, a debtor must list any assignment for the benefit of creditors made within one year of filing for bankruptcy. Part 5, *List Certain Gifts and Contributions*, changes the reporting threshold to \$600 per person or charity and increases the look-back period from one to two years.

Part 6, *List Certain Losses*, clarifies how to report insurance coverage for losses. It provides that the debtor must include on this form amounts of insurance that have been paid, but must list pending insurance claims on Official Form 106A/B.

Part 7, List Certain Payments or Transfers, includes questions regarding payments or transfers of property by the debtor. The question regarding payments or transfers to anyone who was consulted about seeking bankruptcy or preparing a bankruptcy petition requires the email or website address of the person who was paid, as well as the name of the person who made the payment if it was not the debtor. There is a separate question asked about payments or transfers to anyone who promised to help the debtor deal with creditors or make payments to creditors, reminding the debtor not to include any payments or transfers already listed. Also, the debtor must list any transfers of property, outright or for security purposes, made within two years of filing for bankruptcy, unless the transfer was made in the ordinary course of the debtor's business. There is a reminder not to list gifts or other transfers already included elsewhere on the form. The question regarding self-settled trusts adds an explanation that such trusts are often referred to as asset-protection devices.

Part 8, *List Certain Financial Accounts, Safety Deposit Boxes, and Storage Units*, adds money market accounts to the examples provided for the question regarding financial accounts or instruments and removes "other instruments" from the examples. Also, the form adds a question about whether the debtor has or had property stored in a storage unit within one year of filing for bankruptcy. The debtor must provide the name and address of the storage facility and anyone who has or had

access to the unit, as well as a description of the contents and whether the debtor still has access to the storage unit. Storage units that are part of the building in which the debtor resides are excluded.

Part 9, *Identify Property You Hold or Control for Someone Else*, instructs that the debtor should include any property that the debtor borrowed from, is storing for, or is holding in trust for someone.

Part 10, *Give Details About Environmental Information*, requires the debtor to list the case title and nature of the case for any judicial or administrative proceeding under any environmental law and to indicate the status of the case.

Part 11, *Give Details About Your Business or Connections to Any Business*, eliminates instructions that apply only to corporations and partnerships. The debtor must indicate if, within four years (previously six years) before filing for bankruptcy, the debtor owned a business or had certain connections to a business, with five categories of businesses provided as checkboxes. If the debtor has a connection to a business, the debtor must list the name, address, nature, and Employer Identification number of the business, the dates the business existed, and the name of an accountant or bookkeeper for the business. Accounting information requested is truncated; the debtor is simply required to provide the name of the business bookkeeper or accountant.

Part 12, *Sign Below*, eliminates the signature boxes for a partnership or corporation and a non-attorney bankruptcy petition preparer. Also, the debtor is asked to indicate through checkboxes whether additional pages are attached to the form.

# **Summary of Public Comment**

**14-BK-0062** – National Conference of Bankruptcy Judges (NCBJ). The NCBJ opposed adoption of the new caption forms. The NCBJ commented that it did not perceive a need for altering a format that has been used by litigants and the courts for decades and adopting a format that differs from the caption format used in the district courts and courts of appeal.

The proposed new caption differs from the form of caption used in conventional civil practice in the district court and the court of appeals. Judicial Conference policy is that bankruptcy practice should be consistent with civil practice unless there are particularized needs in the bankruptcy system that override the policy of procedural uniformity. The NCBJ commented that no rationale has been expressed for treating documents filed in the bankruptcy court differently than those filed in the district court and court of appeals.

The NCBJ fails to see how the proposed new format would improve the delivery of the information that is conveyed by the caption. If such a dramatic change in the format of the caption is to be made, the NCBJ suggested that Committee explain why it is necessary and do more than characterize the change as "stylistic." **14-BK-0091 – Pennsylvania Bar Association**. The Pennsylvania Bar Association opposed adoption of the new caption forms. The Bar Association stated that while the Forms Modernization Project is to be commended, changing the style of the caption from a standard legal caption to a form-based caption denigrates the dignity of the Bankruptcy Court and suggests that its filings are purely administrative in nature.

#### **Committee Note**

Subdivision (b)(1) is amended to clarify that an individual debtor's voluntary petition, accompanied by an application to pay the filing fee in installments, must be accepted for filing, even if the court requires the initial installment to be paid at the time the petition is filed and the debtor fails to make that payment. Because the debtor's bankruptcy case is commenced upon the filing of the petition, dismissal of the case due to the debtor's failure to make the initial or a subsequent installment payment is governed by Rule 1017(b)(1).

#### Introductory Items

## 1. Greetings

Judge Sandra Ikuta opened the meeting, welcoming Committee members to Southern California. The Committee members as well as guests introduced themselves. Judge Ikuta noted the absence of Troy McKenzie, the former Assistant Reporter to the Committee, who had taken a new position as deputy attorney general at the Department of Justice's Office of Legal Counsel. Judge Ikuta outlined her idea of using a consent and discussion calendar approach to the meetings going forward. Items that are noncontroversial and do not need discussion could be considered on the consent calendar and those that need greater discussion could be considered on the discussion calendar. Any issue could be moved from one calendar to the other.

2. Approval of minutes of the Charleston, SC meeting of September 29-30, 2014

The minutes of the meeting of September 29-30, 2014 were approved.

- 3. Oral Reports on Meetings of Other Committees
  - (A) January 2015 meeting of the Committee on Rules of Practice and Procedure

Professor Elizabeth Gibson reported on the January 2015 Committee on Rules of Practice and Procedure (Standing Committee) meeting. The Committee had one action item, the proposed amendment to Rule 1001, and the Standing Committee approved it for publication. An update was provided to the Standing Committee about the Chapter 13 plan form process and the final set of modernized forms. The draft minutes from the January 2015 Standing Committee meeting were included in the agenda materials at Tab 3A.

(B) December 2014 meeting of the Committee on the Administration of the Bankruptcy System

Judge Erithe Smith reported on the December 2014 meeting of the Committee on the Administration of the Bankruptcy System (Bankruptcy Committee). The Committee on Court Administration and Case Management (CACM) took the position that bankruptcy judges do not have the discretion to waive the reopening fees in individual chapter 11 cases and the Bankruptcy Committee asked CACM to review this decision.

No decision has been made. The Bankruptcy Committee deferred any action on the Bankruptcy Administrator (BA) program as the Administrative Office (AO) is completing an assessment of the program. There are several proposals to reduce or expand the powers of the BA program, including a proposal to transfer control of the U.S. Trustee program to the courts, but the Bankruptcy Committee recommended that these proposals be held off pending the completion of the assessment.

### (D) Spring 2015 meeting of the Advisory Committee on Civil Rules

Judge Arthur Harris reported on the spring meeting of the Advisory Committee on Civil Rules (Civil Rules Committee), noting that Judge Bates will be the new chair of the Civil Rules Committee. The amended rules regarding discovery will likely be effective in December 2015. The Civil Rules Committee also discussed amending Civil Rule 6 to eliminate the rule providing three additional days to take an act when service is made electronically as well as an amendment to Civil Rule 5 to require electronic filing. The proposed amendment to Civil Rule 5 would require electronic filing unless prohibited by local rule. In response to concerns raised by the Advisory Committee on Criminal Rules, an express exception for *pro se* filers was added.

The Civil Rules Committee meeting also discussed potential changes to Civil Rule 68. The Bankruptcy Rules have a corresponding rule – 7068 – regarding offers of judgment. The Civil Rules Committee's Civil Rule 23 Subcommittee will have a conference in September 2015. Its Appellate Subcommittee is considering the issue of manufactured finality.

### Subcommittee Reports and Other Action Items

- 4. Report by the Subcommittee on Consumer Issues
  - (A) Suggestion 14-BK-B from CACM to Amend Rules Regarding Redaction of Private Information in Closed Cases

Judge Harris provided a brief overview of the issue, referring to the memo at Tab 4A. The Judicial Conference adopted a policy that a case does not need to be reopened to redact a previously-filed document. The Conference approved a redaction fee of \$25 per case for instances in which redaction is the only reason for reopening a case. It is on the miscellaneous fee schedule. For this reason, an immediate amendment is not necessary and the subcommittee will continue to consider several issues related to redaction, including notice.

(B) Report Regarding Suggestion 12-BK-I by Judge John E. Waites (on behalf of the Bankruptcy Judges Advisory Group) to Amend Rule 1006(b)

Judge Harris explained that this issue has been under consideration for several years. It relates to Suggestion 12-BK-I by Judge Waites (on behalf of the Bankruptcy Judges Advisory Group) to amend Bankruptcy Rule 1006(b) to provide that courts may require a minimum initial payment with requests to pay filing fees in installments.

A report from Professor Gibson detailing the issue was included at Tab 4B of the materials.

At the fall meeting, the Committee decided not to make an amendment to Rule 1006(b) because no language change was needed to permit minimum payments with installment applications. The Committee also addressed a different issue: that some courts rejected filings where debtors did not have the upfront installment payments. That issue was referred back to the subcommittee, which recommended an amendment to Rule 1006(b) to require courts to accept a petition regardless of whether any portion of the filing fee is provided so long as the petition is accompanied by a signed application to pay the filing fee in installments. The subcommittee further recommended that the accompanying Committee Note cross-reference Rule 1017.

A motion was made to approve the recommendation and it was approved unanimously. The recommendation will be forwarded to the Standing Committee for consideration at its May 2015 meeting for approval for publication.

The subcommittee recommended that the Committee take no action on a separate suggestion from a Committee member to amend the Rule to detail the proper procedure in a case in which the debtor has unpaid fees from a prior case and requests to pay the filing fee for a subsequent case in installments.

(C) Report Concerning Suggestion 13-BK-G to Amend Rule 1015(b)

The suggestion to change the reference in Rule 1015(b) to the word "spouse" had been approved at the spring 2014 meeting. The Committee agreed with the subcommittee's recommendation to wait for the Supreme Court's decision in *Obergefell v. Hodges*, No. 14-556, to be decided by June before deciding about publication of the proposed amendment.

(D) Achieving a Better Life Experience Act of 2014 (the ABLE Act) Amendments

Judge Harris explained that the passage of the ABLE Act on December 19, 2014 necessitates several amendments to Official Forms 106A/B, 122A-2, and 122C-2 as well as a change to the Committee Note for Official Form 106A/B. The changes are all minor and add references to ABLE Act accounts to the forms. A memo detailing the required

changes is included at Tab 4D of the agenda materials. The subcommittee recommended the following edits to the materials in the agenda book: to change the term "interest" to "interests," the term "continues" in the means tests forms to "continuing," and "defined under" or "defined by" to "defined in" in the forms and Committee Note.

The changes will be included with the other modernized forms changes that will go to the Standing Committee for its May 2015 meeting. A motion was made to approve the amendments and it was unanimously approved.

- 5. Joint Report by the Subcommittees on Consumer Issues and Forms
  - (A) Discussion Regarding Proposed Chapter 13 Plan Form (Official Form 113) and Related Proposed Amendment Rules

Judge Ikuta started that the Committee's first decision was a policy decision regarding how to proceed with the plan form. She provided a brief overview of the history of the development of the plan form. The form was published in 2013 and again in 2014, and a hearing was held in January 2015 in Washington D.C. at which several people testified both for and against the published plan form. Both publications resulted in many comments, and the majority of the comments objected to a mandatory chapter 13 plan form. One of the comments received in 2014 was a letter opposing the plan form signed by 144 bankruptcy judges. Following the hearing, a compromise solution was proposed by a small group of bankruptcy judges and practitioners, including some of the 144 judges who had signed the letter opposing the plan form. The materials related to the chapter 13 plan form are included at Tab 5A of the agenda book and Appendix A of the appendices book.

Professor Gibson outlined the options for the chapter 13 plan form and related rules. The options include: (1) going forward with the published plan form and related rules with any necessary changes in response to comments received by presenting the package to the Standing Committee for approval at its May 2015 meeting, (2) going forward with the proposed amended rules as published but not issue an official form, using the published version of the plan form as either a Director's Form or have not form at all, (3) not proceed with any aspect of the chapter 13 plan form or related rules, or (4) proceed with some type of compromise with regard to the plan form and related rule amendments.

The compromise would not necessarily be the same as the one proposed by the commenters, but its premise would be the same: that district could opt-out of using the national form if the district had a local plan with certain required provisions. This option would require an amendment to Rule 3015.

If the Committee decided to proceed with a compromise approach, the Committee would also have to consider timing issues. Assuming that the Official Form and related

5

rules remain as a package, republication of any part of that package in August 2016 means that the form and rules would be on track to go into effect on December 1, 2018. On the other hand, if republication is not deemed necessary, the chapter 13 plan form and rules could be promulgated a year earlier.

The Committee engaged in a robust discussion. Many members spoke in favor of a compromise solution, noting that it achieves some of the goals of the original chapter 13 plan form project, including greater efficiency in the chapter 13 process and also will provide the opportunity to test the plan form. A number of members expressed support for continuing with the current plan form as published. Several members noted their objection to continuing with the proposed rule amendments by themselves. Members also discussed whether republication would be necessary.

Following the discussion, a motion was made to explore a compromise approach and the motion was approved unanimously. A second motion was made to defer a decision on republication until the Fall 2015 meeting. This motion was also approved unanimously. Judge Ikuta assigned this project to the Forms Subcommittee, which may seek the help of former members of the Working Group that developed the chapter 13 national form, as well as other members of the bankruptcy community. The Forms Subcommittee will recommend revisions to the form and rules and recommend whether to republish the form and associated rules at the fall meeting.

(B) Report Regarding Potential Forms to Implement Rules 3002.1(f) and (g)

Judge Goldgar reported that the subcommittee is continuing its work on the proposed forms related to Rules 3002.1(f) and (g).

(C) Report on Comments and Recommendation Regarding Published Rule 3002.1

Judge Goldgar reported that there were several comments on the published rule, although they were closer to suggestions than comments. A motion was made to approve the amended form as published and the motion was approved unanimously.

6. Report by the Subcommittee on Forms

(A) Report and Recommendation on Effective Date for Modernized Forms

Judge Dow reported on the Forms Subcommittee's recommendations. First, the subcommittee recommended, with one dissent, that the modernized forms become effective December 1, 2015. The Committee modernized the forms to make them more usable for debtors and creditors as well as to utilize the data benefits of the Next Gen system. Going forward with the forms in 2015 achieves the first of the two objectives and permits the AO to build its database for the new forms rather than for both sets of forms. The subcommittee's research established that the majority of private software

vendors will be prepared to proceed with the modernized forms in December. Therefore, the subcommittee did not recommend delaying the effective date of the forms until the Next Gen system is ready to accept data from the modernized forms, which would be December 2016, at the earliest, or December 2017.

Second, the subcommittee recommended permitting the use of the current Official Forms after December 1, 2015 solely by the Electronic Self-Representation (ESr) program. The program permits *pro se* debtors to use an online system to complete the case opening forms for bankruptcy in three courts: the District of New Jersey, the District of New Mexico, and the Central District of California. The ESr program is not designed to work with the modernized forms.

Third, the subcommittee considered how to provide the bankruptcy community with guidance regarding the conversion to the modernized forms by courts and parties, including guidance concerning the use of superseded forms in certain circumstances in cases that were started before the effective date of the new forms. The subcommittee proposed adopting language that is used with the promulgation of amended rules, that the new forms should be used in pending cases "insofar as just and practicable."

A motion was made to make December 1, 2015 the effective date for the modernized forms, permit the use of the current forms in the ESr courts post-December 1, 2015, and to use the suggested language regarding the use of the superseded forms. The motion was approved unanimously.

Judge Ikuta and Judge Dow thanked Judge Perris for her work on the project.

(B) Report on Comments on Published Forms

Judge Dow stated that reviewed the many comments filed on the published forms. A summary of all of the comments and the subcommittee's recommendations were included in the agenda book at Tab 6(B)(1) and in Appendix B. The proposed forms are included in Appendix C. Judge Dow noted that the Forms Subcommittee recommended several revisions to the forms' instructions, and these revisions did not need approval by the Standing Committee or the Judicial Conference.

A motion was made to approve the forms as set forth in the agenda book with the revisions that the language regarding "with net value" be deleted from Official Form 206A/B and that the term "lease" be added to questions about ownership to Official Form 206A/B to add "lease" in questions about ownership. The motion was approved.

A motion was made to approve the following of the published forms as set out in the agenda materials with the minor edits as described above: Official Forms 106J, 106J-2, 201, 202, 204, 205, 206Sum, 206A/B, 206D, 206E/F, 206G, 206H, 207, 309A, 309B,

309C, 309D, 309E, 309F, 309G, 309H, 309I, 312, 313, 314, 315, 410, 410S1, 410S2, 424; and the abrogation of Official Forms 11A and 11B. The motion was approved.

(C) Report and Recommendation on Comments on Official Form 410A

Judge Dow stated that Official Form 410A is the proof of claim attachment form used by mortgage creditors and that the form was included as part of Appendix C. The form was published in August 2014 and the subcommittee recommended that the form be approved as published with a few minor alternations in response to comments. The Department of Justice commented that the modernized form eliminates an itemized list of fees included on the current version of the form. After discussion, the Committee determined not to include the itemized list of fees on the modernized form.

A motion was made to approve Official Form 410A as published, with the minor edits. The motion was approved.

- 7. Report by the Subcommittee on Business Issues
  - (A) Recommendation Concerning Whether to Publish Proposed Amended Official Forms 9F and 9F(Alt.) (to be Official Form 309F)

Judge Bernstein reported on Suggestion 12-BK-I regarding the language used on Official Forms 9F and 9F(Alt.) (Official Form 309F) regarding the commencement of a dischargeability action and the deadline for filing such an action. The Committee had previously approved a revisions to these forms in response to an ambiguity in section 1141(d)(6)(A) of the Bankruptcy Code at the fall 2014 meeting. The subcommittee recommended publishing the amended form after the modernized form goes into effect. A motion was made to approve this recommendation and the motion was approved.

(B) Report on Noticing Working Group

Judge Bernstein explained that because Troy McKenzie has left the Committee as Assistant Reporter, this issue will wait until the new Assistant Reporter is appointed.

(C) Report Regarding Small Business Forms

Judge Bernstein reported that these forms are ones related to small business cases (Official Forms 25A, 25B, and 25C), Official Form 26, and Exhibit A to the petition (to be re-numbered Official Form 201A). The subcommittee is continuing to work on the forms. Mr. Mayer provided an update on his research regarding Exhibit A/Official Form 201A, which included speaking with several lawyers at the Securities and Exchange Commission. He determined that the SEC does use the forms and would use the form with new Official Form 401. The SEC does not monitor bankruptcy filings by reviewing Form 8-K filings; instead, they look for Exhibit A/Official Form 201A filings in

8

bankruptcy cases. Although service of the form on the SEC would be helpful, it is not necessary. Mr. Mayer advised that he is working on a re-draft of Exhibit A/Official Form 201A and that he will circulate the draft to the subcommittee when complete.

Mr. Mayer will also provide a suggestion to the Business Subcommittee for a change in the rules to address a problem with companies ceasing SEC filings immediately before or after filing for bankruptcy.

(D) Recommendation Regarding Proposed Amended Rule 9006(f)

Professor Gibson reported that this amendment eliminated the rule providing three additional days to take an act when service is made electronically. A memo on the topic was included at Tab 7D of the agenda materials. The other rules committees published similar amendments. There were few comments submitted in response. The various rules committees are working together to develop consensual language in response to an objection raised by the Department of Justice (DOJ) that the elimination of the three-day rule could lead to gamesmanship in litigation.

A motion was made to delegate authority to the Reporter to communicate that while the Committee preferred not to revise the Committee Note in response to the DOJ's comment, it agreed to the addition of the following language if needed to maintain uniformity with the Committee Notes of the other advisory committees: "The ease of making electronic service after business hours, or just before or during a weekend or holiday, may result in a practical reduction in the time available to respond. Extensions of time may be warranted to prevent prejudice."

- 8. Report by the Subcommittee on Privacy, Public Access, and Appeals
  - (A) Recommendation Regarding Revising the Uniform Numbering System for Local Bankruptcy Rules

Judge Adalberto Jordan reported on the uniform local rules renumbering issue. Scott Myers explained that the uniform numbering system must be amended in order to match the revised Part VIII Rules. The uniform numbering system document is posted online for courts to use in promulgating their local rules. The Committee agreed to this change.

- 9. Report by the Subcommittee on Technology and Cross Border Insolvency
  - (A) Report Regarding Amendments Related to Electronic Filing

Professor Gibson reported on the current status of the Civil Rules Committee's electronic filing proposal which is discussed in the materials included in the agenda book at Tab 9A(1). The Advisory Committee on Criminal Rules proposed revised language

that would exempt *pro se* parties from electronic filing requirements and permit electronic filing by *pro se* parties where permitted by local rule. A motion was made to delegate the authority to complete the negotiations for this language to the Reporter and Chair, and the motion was approved unanimously.

Professor Gibson reported that the Civil Rules Committee has proposed permitting service via a court's CM/ECF system without the consent of the person served and via another electronic method with consent.

(B) Review and Recommendation Regarding Comments on Official Form 401 and Related Proposed Rule Amendments

Professor Gibson reported that Official Form 401 resulted from the Forms Modernization Project's decision to create separate petitions for individual and nonindividual debtors and the determination that a separate chapter 15 petition would allow the deletion of otherwise unnecessary information from the other petitions. In addition, the rules that relate to chapter 15 were revised to create a separate rule governing responses to chapter 15 petitions. The form and proposed amended rules were published in August 2014. One comment suggested a small change to Rule 1012 regarding service of a response. The SEC suggested that an Exhibit A/Official Form 201A requirement be added to Official Form 401. This will be considered by the Business Subcommittee. A motion was made to approve Official Form 401 and the related proposed chapter 15 rules, and the motion passed unanimously.

- 10. Report by the Subcommittee on Attorney Conduct and Health Care
  - (A) Report Concerning Suggestion 13-BK-C by the American Bankruptcy Institute's (ABI) Task Force on National Ethics Standards to Amend Rule 2014

Judge Robert Jonker discussed the subcommittee's work on this issue. The ABI suggested changes to Rule 2014 to specify the relevant connections that must be described in the verified statement accompanying an application to employ professionals. The subcommittee will continue to work on this issue.

### Information Items

11. Report on Decisions Interpreting 11 U.S.C. § 109(h)

Professor Gibson provided an update on this issue.
