

COMMITTEE NOTE

This form is new. It gathers certain financial information, including information necessary for the court to determine whether a reaffirmation agreement creates a presumption of undue hardship under § 524(m) of the Code, and it allows the debtor to provide additional information that may rebut such a presumption.

To implement the requirements of Bankruptcy Rule 4008(b), the form also provides for a disclosure of any differences between the income and expenses reported on schedules I and J and the income and expenses reported in the debtor's statement in support of the reaffirmation agreement, together with an explanation of any such differences.

Finally, the form requires a certification that the information supplied is true and correct.
