Committee Note

The form is amended in response to the enactment of the Bankruptcy Threshold Adjustment Act. That law provides a new definition of "debtor" in § 1182(1) of the Code for determining eligibility to proceed under subchapter V of chapter 11. As a result of that amendment, "debtor" is no longer synonymous with "small business debtor" as defined by § 101(51D). Line 8 of the form is amended to reflect that change.
