NOTE: Due to a change in methodology, numbers prior to 2015 may not match numbers previously published in this table.  
This table does not include data for the U.S. Court of Appeals for the Federal Circuit.

<sup>1</sup> Proceedings not dependent on prior action by lower court or administrative agency (e.g., writs of mandamus, motions to file second or successive habeas corpus petitions). The Antiterrorism and Effective Death Penalty Act, enacted April 1996, requires prisoners to seek permission from courts of appeals to file second or successive habeas corpus petitions. Data for these and other types of original proceedings were first reported on October 1, 1998. Beginning in March 2014, data include miscellaneous cases not included previously.

<sup>2</sup> Twelve-month period ending June 30.
