GENERAL STATEMENT AND INFORMATION

This appropriation is divided among three trust funds that finance payments to (1) retired bankruptcy and magistrate judges, (2) spouses and dependent children of deceased judges, and (3) retired Court of Federal Claims judges. This account is categorized as a mandatory appropriation by Congress.

Statutes governing the three funds authorize the appropriation of amounts necessary to support the liability that accrues each year and to pay an installment on any unfunded liability. Although the funds earn interest on investment holdings and (except for the Court of Federal Claims fund) receive participant contributions, the purpose of the appropriation provision is to ensure that sufficient funds are deposited annually to support projected benefit payments in the distant future as well as in the short term. The appropriation request is calculated annually by an enrolled actuary pursuant to 31 U.S.C. § 9503.

The Three Trust Funds

- 1) The Judicial Officers' Retirement Fund was established in 1988 to provide a pension to bankruptcy and full-time magistrate judges (28 U.S.C. § 377(o)).
- 2) The Judicial Survivors' Annuities was established in 1956 to provide annuities to widows, widowers, and surviving dependent children of judges and other officials who have elected to participate in the program: Justices and judges of the United States, to include Guam, the Northern Mariana Islands, and the Virgin Islands; full-time bankruptcy judges; full-time United States magistrate judges; judges of the United States Court of Federal Claims; Directors of the Federal Judicial Center and the Administrative Office of the United States Courts; and the Counselor to the Chief Justice of the United States (28 U.S.C. § 376(c)).
- 3) The Court of Federal Claims Judges' Retirement Fund was established in 1990 to provide a pension plan to retired United States Court of Federal Claims judges (28 U.S.C. § 178(l)). Appointment under Chapter 7 of Title 28 or service under section 167 of the Federal Courts Improvements Act of 1982 automatically qualifies a judge to participate.

FISCAL YEAR 2026 APPROPRIATIONS

The judiciary's FY 2027 mandatory budget request for the Judicial Retirement Funds reflects an enacted FY 2026 appropriation of \$309.4 million, which is based on the recommended employer contributions calculated by the funds' actuaries. The enacted amount fully funds the FY 2026 portion of the unfunded liability for the three retirement trust funds. For bill language, the judiciary's starting

point is the FY 2026 Consolidated Appropriations Act (P.L. 119-75).

ADJUSTMENTS TO BASE TO MAINTAIN CURRENT SERVICES
